Subject: EPA Community Meeting in Laurel

Dear Yellowstone County Commissioners, Billings and Laurel City Mayor, Billings and Laurel City Council,

EPA announced in a news release yesterday that should come out today that EPA plans to hold a community meeting in Laurel this coming Tuesday, July 12. Unfortunately due to location issues, we are having to change the date of this meeting to Wednesday July 13 at 6:30. We apologize for the confusion that might cause. I am working with the Mayor Olson on a location. I would like to personally invite you to the public meeting. As soon as we've tied down a location, I will let you know.

Also, EPA has been releasing news releases and plans to release one today. I will send you the news release as soon as it is released. If you would rather not receive this information now and in the future, please let me know.

Sincerely, Libby Faulk
