### **Strategic Plan**

Woltjer reported that:

- The Strategic Plan should be ready to publish in July.
- He would like to include a picture of the Board in the plan.
- The goals section will include pictures related to each goal.
- He needs the final letter from the Board.

Darby would like to see a 3 to 4 page appendix added to the plan describing what the Library does.

Mickelson suggested that a speakers group be formed to visit service clubs, etc. to present and discuss the new Strategic Plan.

Fong agreed with Darby's idea of an appendix, however, she would prefer a one page statistical report.

Bach asked that a picture of the Friends of the Library Board be added to the appendix.

### **Library Policies**

Woltjer reported that the updated Library Policies have been approved by the City Attorney and will be published July 1. He reviewed the policy changes with the Board.

- That he spoke with the Big Sky Economic Development group which resulted in the creation of the Yellowstone Strengths Academy.
- The Yellowstone Strengths Academy now has thirty-one partners and his goal is to expand the program in future years.
- The program will begin June 18 with an orientation.

Koch reported:

- That the Library is once again fully staffed and that the two new staff members are a welcomed addition.
- Two seasonal workers have started, one in the Tech. Lab and one at Children's.
