Members are limited to two consecutive remote attendances and are limited to four remote attendances per calendar year. Board approval is required for remote participation over four meetings per calendar year.

Board members attending remotely must:

- Ensure equipment, technology, and venue used is materially comparable to in-person participation and not a distraction.
- Be able to see and hear staff and other Board members.
- Be able to reasonably observe all materials discussed during the meeting.
- Refrain from communicating with others, not in the meeting, regarding matters of the agenda.
