NOTES/OUTCOME	<p>Jessica started the meeting by saying we the city were having a hard time getting the weekly session information from the state. Apparently, the city email filter moved the information to a different place. That has been fixed, and the information should come through clearly.</p> <p>Second the Bill Tracker information has not been set up so as to give us the information we need. Hopefully everything will be working for next Monday when we the city receive information from the State.</p> <p>Bills discussed:</p> <ul style="list-style-type: none"> SB 1 Support and Monitor SB 2 Oppose and Monitor SB 3 Monitor <p>Mike Yakawich is progressing with LC 2927 to increase the municipal court cap from \$25,000 to \$50,000.</p> <p>There was brief discussion about the following but with no real information as of this date.</p> <ul style="list-style-type: none"> HB 191 HB 119 HB 21 LC 975 HB 124 <p>We are hoping that by next Monday we all with have more information to start our discussions with.</p>
