- Fisher Construction has been awarded the bid on the restroom project. Project should begin at the end of the month. Six restrooms will be remodeled and 3 will be built/retro-fit to a modular restroom. The purchase of the 3 built restrooms will also include building the vault toilet for Swords Park.

- Ranger will provide information regarding the park and welcome people to our park.
- There will be two rangers per park so they are not alone.
- Rangers will be assigned to their specific park and no driving around will be needed.
- They will be trained.
- They will serve a 6 month – 1 year and will be 4 hours a day.
- Rangers will alert us of any issues in the parks and will be able to establish a sense of safety to our community when in our parks.
- Must be 21 years and older.
- Advertising to be a ranger will go out in late August.

A question was asked if High Sierra would be added to the list. Chris said yes, that would be a good park.

## **F. ACTION ITEMS**
