Fong asked for input from the Board regarding items they would like to address at the upcoming retreat.

• Fisher noted that she would like an update on what has happened the past year and discussion on what we want in the future.
• Bach added that she would like the future focus to include some background information.
• Darby suggested that:
  o The focus should identify the situation.
  o We should identify what is and what is not working.
  o A review of the draft of the Strategic Plan be presented.
  o A brainstorm session be held.
• Young noted that the steps needed to accomplish the mission/goal need to be identified.

Woltjer asked the Board to develop an itinerary and he would fill in the blanks.
