

Billings City Administrator Weekly Report

June 16, 2022

- 1. Yellowstone River Flooding** – Most of the week was focused on the impacts of flooding of the Yellowstone River. A huge “Thank You!” to Debi Meling, Jennifer Duray, Louis Engels, and their team at the Water Plant for the outstanding job they all did to make sure the citizens of Billings were not without water. (See the Press Releases and videos below.)
- 2. Public Comment on Proposed Legislation of Recovery Residences** – Please save the date on your calendars, the public comment for this bill is scheduled for June 28th.
- 3. From the PIO Desk**

Public areas along Billings Rims to be closed again this 4th of July
