MOTION: Move that Nault be elected for Chair and Mickelson for Vice-Chair.
Approved McKinney/Richardson

County Board Vacancy
Cochran noted that the vacancy for the County Library Board member has been posted and the deadline for applications is July 19.

New Library Building Project
• Report on Groundbreaking Ceremony
  Nault reported that the ceremony was very nicely done and well attended. She noted that a reception for the major donors was held prior to the reception.
• Project update from Library Director
  • Cochran reported that:
    • City Council approved the award of the construction project to the low bid, Johnson Contractor Group from Missoula on June 25. He noted that they also approved three alternates:
      ▪ Polished concrete floor on the first floor
      ▪ Natural stone finish on the exterior of the south courtyard wall
      ▪ Reuse of Buffalo Block from Montana Avenue as part of the landscaping in the parking lot.
    • On June 9 City Council approved a variance from the City Code which will allow the bookmobile and outreach vehicle the ability to back out from the garage onto S. 29th Street.
    • City Council also approved an agreement with the Library Foundation for their annual payment to the City of $300,000
for ten years, which will be applied to the retirement of the bond. He noted that work is still underway on a second agreement which will assign the architectural contract to the City while the Foundation continues to pay for their services.

- Report from Library Building Design Committee Co-Chair
  - Mickelson reported that:
    - The architects gave a presentation on the furnishings at the June 27 meeting.
    - Committee Co-Chair Frank Cross, Cochran and he identified tasks that the Committee needs to accomplish in the next six months; information technology, furnishings, art and landscaping.
    - The Committee will meet the first Tuesday of each month and a public meeting will be scheduled to discuss furnishings.

- Update on Art Subcommittee meeting with Will Bruder
  - Nault reported that they were moving forward on a committee panel.
  - Cochran noted that the architects recommended waiting until the building was constructed and light levels could be tested before determining availability of space for art work.
  - Cochran reported that an appraisal on the art work is expected in the next couple of weeks.

- Project update from the Foundation
  - Cochran reported that he and Suzanne McKiernan spoke at the Big Sky Economic Development Authority.

- Library technology futures workshop report
  - McKinney reported that:
    - Speakers have been contacted.
    - An additional meeting will be held with teens.
    - Flyers advertising the event will be distributed at SummerFair.

Rose updated the Board on One Book Billings.
