Cochran also discussed board members serving on various committees. He noted that McKinney will need to be replaced as representative to the South Central Federation when her term limit goes into effect at the end of the year. Mickelson spoke about his positive experiences at these meetings. Nault volunteered to attend the Fall meeting with McKinney and Cochran.
Montana State Library Public Library Standards
Cochran showed the Library’s annual report to the Montana State Library, which is required in order to receive state aid. This aid has become more significant to the Library’s budget in the last few years in terms of consortia purchases and programs. By consensus, the Board authorized Nault to sign the standards report.

Building Update
The Board asked for a tour of the new facility after the August meeting. Cochran updated the board on progress in the various areas of the building, and the schedule for the upcoming month. Furniture contracts have been approved. Shelving contracts have been approved. The RFP processes for moving services and the coffee shop are in progress.

Development of Priorities for Foundation Donations
Nault asked Hudson to lead this project. She also asked the Board in general to brainstorm on these topics. In this budget year, $20,000 of the Foundation donation has been earmarked for the Extraordinary Tables project. An RFQ letter was sent out to 1500 artists who work in 3-dimensional media. The Library has relied on the Friends donation for purchasing books for book discussions and supporting other programming. It is intended to build that into the budget in future. The Board talked about various possibilities for event and volunteer coordination.

Other Business
Nault thanked outgoing Vice Chair Lloyd Mickelson for his service in that office and led the board in a round of applause.
