Norm Schoenthal Island
Affectionately known as "Norm's Island", Norm Schoenthal Island is a popular grassroots project between Yellowstone River Parks Association and Montana Audubon.

Pioneer Park
This 32 acre park is a jewel within the City of Billings! Pioneer Park is a great place for any venue. Located within the park is a wading pool, tennis courts, restrooms, horseshoe pits, multi-use trails, disc golf, barbeque areas, and enough green space for softball/football/rugby/soccer.

Four Dances
A 765 acre undeveloped natural area in Billings, overlooking the Yellowstone River, Four Dances provides breathtaking views of Billings, the valley and mountains in the horizon.

BICYCLING TIPS

OBEY ALL SIGNS AND RULES, ALWAYS RIDE WITH TRAFFIC, CAUTION WHEN PASSING, PASS ON THE LEFT, MAKE EYE CONTACT

COMMON CAR-BIKE COLLISIONS

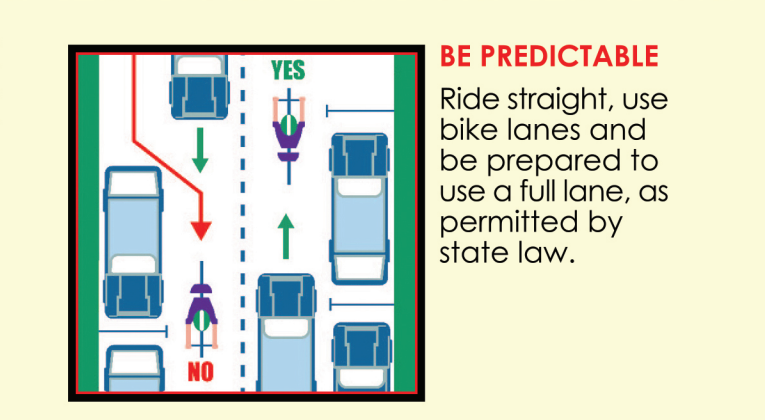

Moss Mansion
Built in 1903 by the entrepreneur Preston Boyd "P.B." Moss and designed by New York architect, Henry Janeway Hardenbergh, the mansion showcases inspired architecture, unrivaled craftsmanship and exquisite decor.

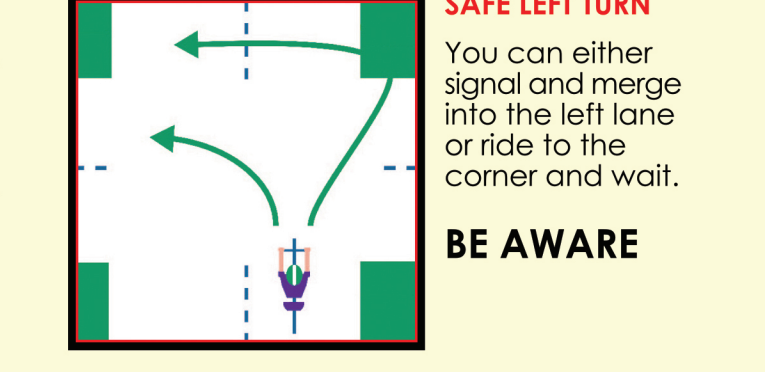

Skypoint
Located at 2nd and Broadway, Skypoint is a focal point and gathering place in the heart of downtown Billings. A variety of events are held in this area throughout the year including Farmers' Markets, cultural festivals and community celebrations.

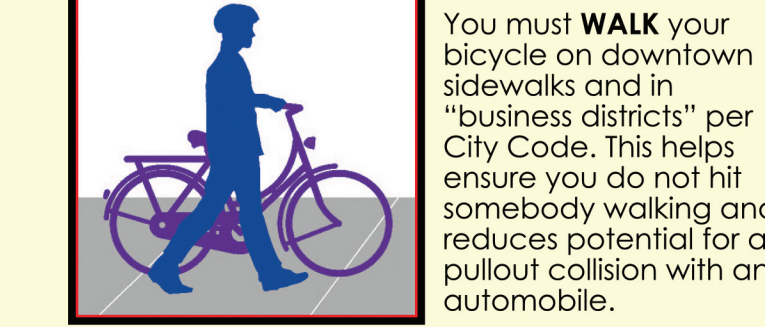

MetraPark
MetraPark is a multi-facility events campus, the largest of its kind within a 5 state region with professional management solely dedicated to the events business. MetraPark includes a 10,000 seat arena, 6,500 seat grandstand, 77,400 square foot expo center, 28,800 square foot pavilion, half-mile track and an assortment of horse barns and smaller buildings.

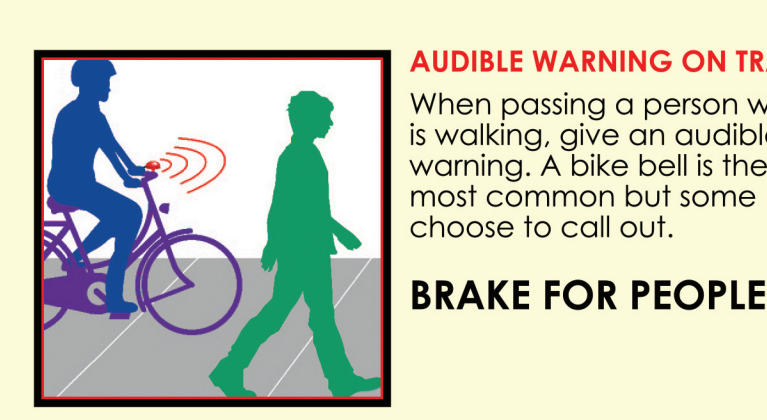

BE PREDICTABLE
Ride straight, use bike lanes and be prepared to use a full lane, as permitted by state law.

SAFE LEFT TURN
You can either signal and merge into the left lane or ride to the corner and wait.

DOWNTOWN SIDEWALKS
You must WALK your bicycle on downtown sidewalks and in "business districts" per City Code.

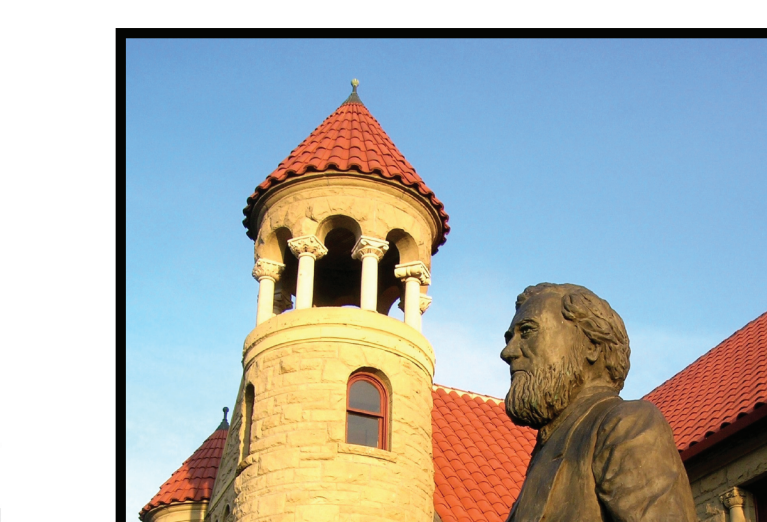

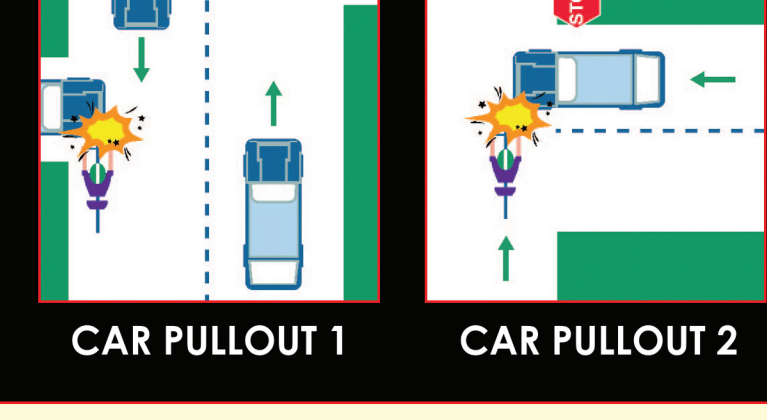

AUDIBLE WARNING ON TRAIL
When passing a person who is walking, give an audible warning. A bike bell is the most common but some choose to call out.

BRAKE FOR PEOPLE
Use a rack if available and keep your bike out of the area where people walk. Well-lit and traveled areas work best.

BE BRIGHT AT NIGHT
In Montana, you must use a front light visible from 500 feet. A rear light is recommended. Steady lights may be more effective than flashing lights.

Billings Public Library
The new Billings Public Library opened January 6, 2014 and is a radiant atmosphere full of natural light, a story time tower, easy-to-use checkout systems, public computing areas, free wifi, comfortable seating, community meeting rooms, study rooms, a cafe and much more.

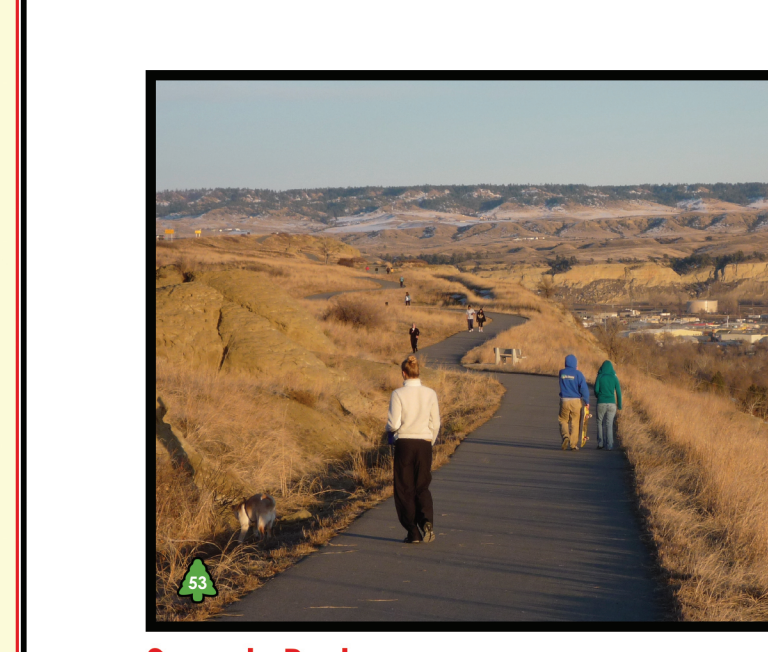

Montana State University Billings
McMullen Hall, pictured above, was the first permanent building erected at Montana State University Billings in 1935. The university continues to nurture a longstanding tradition of educational access, teaching excellence, civic engagement and community enhancement in an urban setting.

Pictograph Visitors Center and Cave
Pictograph Cave State Park is a place to contemplate the origins of human habitation in Montana. The Pictograph Cave site was designated as a National Historic Landmark in 1964 because of its archeological significance.

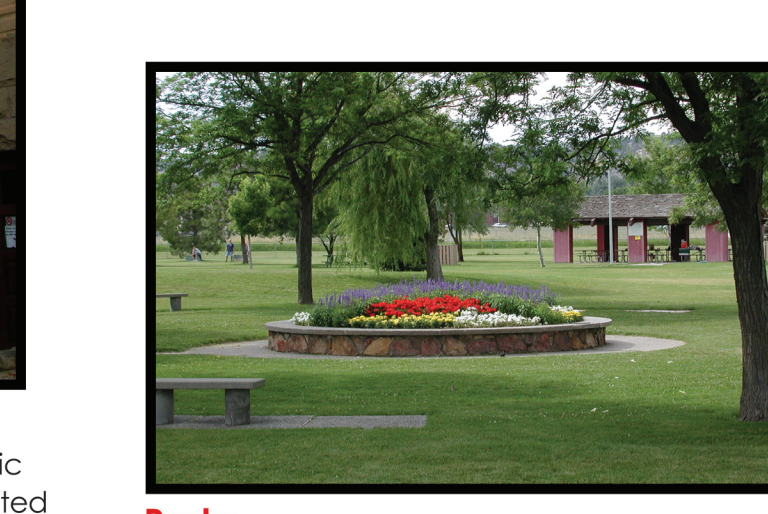

The Billings Depot
Built in 1909, and once abandoned, the Billings Depot is once again a community gathering place. It is a location with significant importance for greeting, meeting, remembering, celebrating and being entertained.

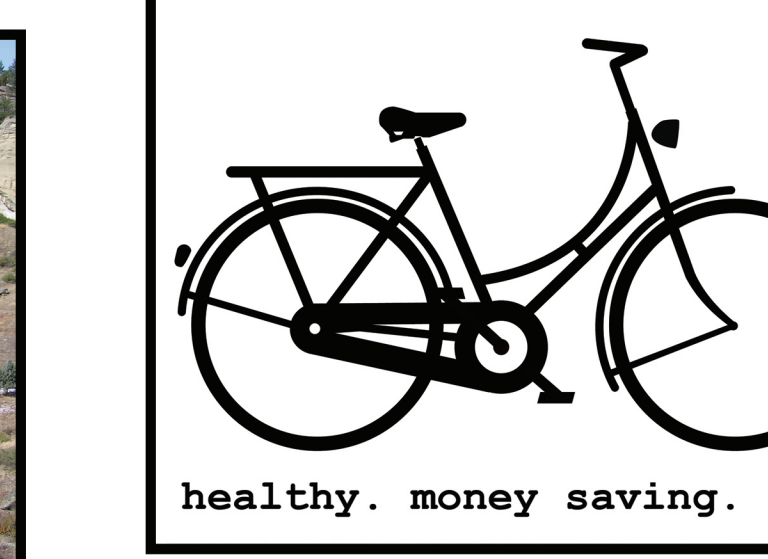

Swords Park
Swords Park is home to a beautiful two-mile section of trail that meanders across the Rims and provides spectacular vistas of the City and the Yellowstone River Valley.

Lake Elmo
The 64-acre Lake Elmo State Park inside Billings' city limits is a great place to swim, boat, sailboard, fish, picnic, bird-watch or stroll on the 1.4 mile hiking/nature trail.

Parks
Residents and visitors of Billings are offered more than 2,500 acres of parkland with playgrounds, restrooms, basketball courts, tennis courts, shelters, horseshoe pits, athletic fields, neighborhood centers, paved multi-use trails, outdoor pools, wading pools, spray parks, a batting cage and a dedicated dog park.

Bicycle Friendly
The League of American Bicyclists first designated Billings a Bicycle Friendly Community in 2008. The community enjoys an expanding multi-use path and trail network, an increasing number of bike lanes and infrastructure that provide transportation corridors and recreational opportunities.
