1	July 16, 2012	Section 5.2.b.i.13.c	The RFQ is requesting a contact reference from the "Local Building Official" on past projects. As these individuals are city employees and are a neutral party, they have declined to provide reference. Please confirm if this requirement can be omitted.	If unable to obtain reference please list reason why.
2	July 16, 2012	Section 5.2.e.iv	The RFQ has requests cases studies of "Local Participation". Please confirm what local participation is defined as. Local to Billings or just local to the project location. Also please specify what constitutes local participation. IE. A certain radius from the project location.	For each case study local participation is local to that specific project.  Local participation for this project would be local to Billings area and / or State of Montana. The plan should outline how you would promote both for this project.
