

CERTIFICATE AS TO RESOLUTION AND ADOPTING VOTE

I, the undersigned, being the duly qualified and acting recording officer of the City of Billings, Montana (the "City"), hereby certify that the attached resolution is a true copy of Resolution No. 99-17468 entitled: "A RESOLUTION RELATING TO W.O. 99-02 #2, BROADWATER SUBDIVISION IMPROVEMENTS, PHASE II; DECLARING IT TO BE THE INTENTION OF THE CITY COUNCIL TO ORDER IN THE PROGRAM FOR THE PURPOSE OF UNDERTAKING CERTAIN LOCAL IMPROVEMENTS AND FINANCING THE COSTS THEREOF AND INCIDENTAL THERETO THROUGH THE ISSUANCE OF SIDEWALK, CURB AND GUTTER IMPROVEMENT BONDS SECURED BY THE CITY'S SPECIAL IMPROVEMENT DISTRICT REVOLVING FUND" (the "Resolution"), on file in the original records of the City Council of the City at a meeting on July 12, 1999, and that the meeting was duly held by the City Council and was attended throughout by a quorum, pursuant to call and notice of such meeting given as required by law; and that the Resolution has not as of the date hereof been amended or repealed.

I further certify that, upon vote being taken on the Resolution at said meeting, the following Councilmembers voted in favor thereof: unanimous

voted against the same: none
abstained from voting thereon: none
or were absent: McDermott, Kennedy

WITNESS my hand officially this 12th day of July 1999.

Marita Herold
Marita Herold, CMC/A AE CITY CLERK

RESOLUTION NO. 99- 17468

A RESOLUTION RELATING TO W.O. 99-02 #2: BROADWATER SUBDIVISION IMPROVEMENTS, PHASE II; DECLARING IT TO BE THE INTENTION OF THE CITY COUNCIL TO ORDER IN THE PROGRAM FOR THE PURPOSE OF UNDERTAKING CERTAIN LOCAL IMPROVEMENTS AND FINANCING THE COSTS THEREOF AND INCIDENTAL THERETO THROUGH THE ISSUANCE OF SIDEWALK, CURB AND GUTTER IMPROVEMENT BONDS SECURED BY THE CITY'S SPECIAL IMPROVEMENT DISTRICT REVOLVING FUND.

WHEREAS, the city is granted the power pursuant to M.C.A. 7-14-4109 to order certain improvements without creation of a special improvement district and certain sections of curb and gutter, sidewalks, drive approaches, alley approaches and/or appurtenant features have deteriorated, settled and cracked, or none exist, or some of the foregoing do not exist; and

WHEREAS, the safety and convenience of the public require installation, construction, reconstruction, repair or replacement of curbs and gutters, sidewalks, drive approaches, alley approaches, and/or appurtenant features or combinations thereof; and

WHEREAS, said improvements should be ordered as provided by law.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BILLINGS, MONTANA AS FOLLOWS;

1. INTENTION TO ORDER IN. It is the intention of the Council to order the installation, construction, reconstruction, or replacements of certain curbs, gutters, sidewalks, drive approaches, alley approaches and appurtenant improvements in certain locations, which improvements and locations are more fully described in Exhibits "A" and "B" attached hereto.

2. AFFECTED PROPERTIES. All properties which will be required to pay any portion of the costs of the improvements identified herein are listed and the owners of those properties are identified on Exhibit "B" attached hereto.

3. ESTIMATED COSTS. The estimated assessed costs of the proposed improvements, including construction costs, incidental expenses, engineering fees, legal fees, administrative fees and bond issuance costs, but exclusive of interest charges, will be \$810,000.00 as described below:

Construction Costs (w/contingencies)	\$673,750.00
Engineering & Administration	\$67,400.00
Bond Revolving Fund	\$40,500.00
Bond Discount	<u>\$28,350.00</u>
TOTAL ASSESSED COSTS	\$810,000.00

Estimated unit costs for construction only, not including engineering, legal, administrative and bond costs, are as follows:

<u>Removal and Replacement of:</u>	<u>Construction Unit Price:</u>
Remove & Replace Sidewalk	\$ 4.40/sq. ft.
Remove & Replace Curb, Gutter	\$21.00/lin. ft.
Remove & Replace Drive Approach	\$ 5.00/sq. ft.
Remove & Replace Alley Approach	\$ 5.20/sq. ft.
Street Reconstruction	\$16.00/sq. yd.
 <u>New Construction:</u>	
New Sidewalk	\$ 3.50/sq. ft.
New Curb & Gutter	\$16.00/lin. ft.
New Drive Approach	\$ 4.10/sq. ft.
New Alley Approach	\$ 4.30/sq. ft.
Street Reconstruction	\$16.00/sq. yd.

The actual cost to be assessed against any benefited property will be determined by the actual amount of work done adjacent to the property.

4. ASSESSMENT OF COSTS. All costs of constructing the curbs, gutters, sidewalks, and drive approaches, including engineering, administrative and bond costs, will be assessed against the properties which are adjacent to the improvements installed. As shown on Exhibit "B", assessments will be levied against 384 separate lots, parcels, or tracts.

The costs for each property will vary depending upon the actual construction that is required adjacent to each property. The estimated costs, for construction only, for a typical 50-foot lot requiring construction for new sidewalk, appurtenant structures and alley approaches, are \$3,335.00. The average total assessment, including engineering, administrative, and bond costs is estimated to be \$1,974.94, with a high of \$21,391.90, and a median of \$1,712.86.

5. PERIOD OF ASSESSMENT. The assessments for all improvements and costs shall be paid in not more than twelve (12) annual installments, plus interest, provided however, that payment of one-half of each annual installment, plus interest, may be deferred to May 31 of the following the assessment.

6. PROPERTY OWNER OPTION TO CONSTRUCT IMPROVEMENTS. In the event that the City Council orders in the above described improvements following the public hearing, then the owners of all properties to be assessed for the costs of said improvements will be notified of such action in writing. Said owners will have thirty (30) days from the date of said notice in which to install the required improvements at their own expense. In the event the owners do not install these

improvements, the City will do so and will assess the costs against the benefited properties as described herein.

7. METHOD OF FINANCING; PLEDGE OF REVOLVING FUND; FINDINGS AND DETERMINATIONS. The City will issue Sidewalk, Curb and Gutter Improvement Bonds in an aggregate principal amount not to exceed \$810,000 in order to finance the costs of the improvements. Principal of and interest on the Bonds will be paid from special assessments levied against the property in the Project. This Council further finds it is in the public interest, and in the best interest of the City and the Project, to secure payment of principal of and interest on the Bonds by the Revolving Fund and hereby authorizes the City to enter into the undertakings and agreements authorized in Section 7-12-4225 in respect to the Bonds.

In determining to authorize such undertakings and agreements, this Council has taken into consideration the following factors:

(a) Estimated Market Value of Parcels. The estimated total market value of the lots, parcels, or tracts in the Project, as of the date of adoption of this resolution, as estimated by the County Assessor, is \$24,695,384.00. The average market value is \$64,310.90, with a high of \$1,553,086.00, a low of \$4,819.00, and median value of \$58,519.00. The special assessments to be levied against each lot, parcel, or tract is less than the increase in the estimated market value of the properties as a result of the construction of the improvements.

(b) Diversity of Property Ownership. For the 384 lots, parcels, or tracts in the project, there are 350 separate owners. One owner, the City of Billings, owns five (5) parcels; one owner, Robert and Diane Noenning, owns three (3) parcels; one owner, Dan and Shirley Fisher, owns three (3) parcels; one owner, Connal and Vicki Kelly, owns three (3) parcels; one owner, Frank and Joyce Biegel, owns two (2) parcels; one owner, Steven and Carla Clarkson, owns two (2) parcels; one owner, Gary and Dee Emmerson, owns two (2) parcels; one owner, Delvin and Bonita Gebhardt, owns two (2) parcels; one owner, George and Carol Hauge, owns two (2) parcels; one owner, KCWD Limited Partnership, owns two (2) parcels; one owner, Barbara Merrill, owns two (2) parcels; one owner, William and Cindy Milligan, owns two (2) parcels; one owner, Arthur and Helen Ruby, owns two (2) parcels; and one owner, Joan Selvidge, owns two (2) parcels. All other parcels are under separate individual ownership.

There are six (6) zoning classifications identified in the project area. Zoning classification R-7000 comprises 1,579,234 square feet (47.65%) of the total area, zoning classification R-6000 comprises 1,247,180 square feet (37.63%) of the total area, zoning classification Public comprises 235,800 square feet (7.12%) of the total area, zoning classification Community Commercial comprises 132,254 square feet (3.99%) of the total area, zoning classification Neighborhood Commercial comprises 80,500 square feet (2.43%) of the total area, and zoning classification Residential Multi-Family Restricted comprises 38,954 square feet (1.18%) of the total area. Currently, nine (9) parcels are undeveloped. Four of these parcels are owned by the City of Billings and are drainage easements, and five (5) parcels are vacant with a zoning classification of R-6000. Two of the parcels, which have the highest estimated assessments (A-3151 and A-3153) are owned by the Billings Scottish Rite Association and the Billings Junior Women's Club. Two of the parcels, which have the lowest market value (A-3508 and A-3376) are vacant residential parcels. The remainder of the project area is generally owner occupied residences.

Given the diversity of ownership, it is unlikely that financial difficulties would arise that would require a loan to be made from the Revolving Fund.

(c) Comparison of Special Assessments, Property Taxes and Market Value. Currently, there are four (4) different SIDs being levied against various parcels in the project area. These parcels and the current SID payoff amounts are listed in Exhibit "C". The payoff date for SIDs 8802 and 8898 is 1999; the payoff date for SID 9501 is 2006; and the payoff date for SID 9703 is 2008.

Five (5) separate parcels within the project carry one (1) assessment from the four (4) SIDs. The total amount of principal levied against these parcels is \$4,200.76, with an average payoff of \$840.15, a high of \$2,921.48, and a low of \$5.29.

As noted in Section 4, the estimated average assessment levied by this project will be \$1,974.94. For the five (5) lots carrying existing SIDs, the average assessment will be approximately \$1,964.45. With an average market value of \$69,499.20, and an average yearly principal payment of \$109.96 (monthly principal of \$9.16), the amount of assessment versus the value of the property would appear acceptable. As such, no unusual need for loans from the Revolving Fund would be expected. Further information comparing the total cost (estimate + SID payoff + delinquency) to the market value for each parcel is listed in Exhibit "C".

(d) Delinquencies. For tax years 1993 and 1997, only one (1) parcel was delinquent. This occurred in tax year 1993 and represents total delinquent general City tax payments of \$7.66. This represents only 0.3% of the total parcels being delinquent during this period. With an average City collection rate of 95% (5% delinquent), a 99.7% collection rate within the project area is clearly acceptable.

Therefore, given the delinquency history of this Project area, no unusual need for loans from the Revolving Fund would be expected.

(e) The Public Benefit of the Improvements. The subject sections of various City streets are identified as streets in poor condition and non-maintainable. Residents have identified these streets as "the worst streets in the City of Billings." In addition, various concrete improvements such as curbs and gutters and approaches are damaged, deteriorated, and displaced. Sidewalks are missing, damaged, deteriorated, displaced and, in general, present walking hazards to the public. This project would improve the streets to a maintainable condition and eliminate the walking hazards to the public. Under current City policy, the cost of eleven (11) feet of street construction and repairs to sidewalks and approaches shall be borne by the adjoining property owners. The remaining eleven (11) to fifteen (15) feet of street construction shall be funded by PAVER funding, and repairs to curb and gutter and the gutter portion of approaches shall be funded by Street Maintenance funding.

8. PUBLIC HEARING. On Monday, August 9, 1999, at 7:30 o'clock p.m., in the Council Chambers located on the Second Floor of the Police Facility, 220 North 27th Street, Billings, MT, the City Council will conduct a public hearing concerning this project, and all interested parties will be allowed to testify. The City Council will also consider all written comments submitted to the City Clerk prior to the hearing or submitted to the Council during the hearing.

9. NOTICE OF PASSAGE OF RESOLUTION OF INTENTION. The City Clerk is hereby authorized and directed to publish or cause to be published a copy of a Notice of the passage of this Resolution in the Billings Times, a newspaper of general circulation in the county on July 15 and July 22, 1999, in the form and manner prescribed by law, and to mail or cause to be mailed a copy of said Notice to every person, firm, corporation, or the agent of such person, firm, or corporation having real property within the District listed in his or her name upon the last completed assessment roll for state, county and school district taxes, at his last-known address, on or before the same day such notice is first published.

PASSED by the City Council and APPROVED this 12th day of July 1999.
