NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BILLINGS, MONTANA:

SECTION 1:

That the public interest and convenience require, and it is deemed necessary, to create a Special Improvement Lighting Maintenance District for the purpose of installing new street lights and securing and providing energy and maintenance for new street lights for lighting said district; and the intention of said City Council to create such a district, hereinafter more particularly described, is hereby declared.

The district boundary shall be as described in Exhibit "C" attached hereto.

SECTION 3:

That the City of Billings, Montana, hereby finds, determines and declares that each of the lots, blocks, pieces and parcels of land situated along and within the boundaries of the District, will be

especially benefited and affected by said improvements, and that all of the property included along the District is hereby declared to be the property to be assessed for, the cost and expense of obtaining the street lights, electrical energy, and maintenance of said street lights.

SECTION 4:

That the general character of the improvements to be made in the District is hereby declared to be as follows: The provision of energy and maintenance for street lighting facilities along and upon portions of the streets and avenues within the boundaries of the district consisting of four (4) 100-watt high pressure sodium luminaries mounted at a height of 25 feet. SECTION 5:
