MEMORANDUM

TO: Bruce McCandless, Acting City Administrator
FROM: Gerald D. Underwood, PE, Utilities Director
DATE: August 19, 1992
SUBJECT: ADOPTION OF RULES & REGULATIONS

RECOMMENDATION:

We recommend that you approve and sign the attached Administrative Order, adopting our updated Rules & Regulations Governing Water & Wastewater Service. (Please provide us with an original of the signed AO to use as a master when printing the updated Rules & Regulations.)

BACKGROUND:

The original 1986 Rules & Regulations were revised as follows:

- They were updated to incorporate all the amendments to the Rules & Regulations approved by the City Administrator since 1986.
- They were changed to reflect the adoption of the State's new water supply fees and the City's new 4% franchise fees.
- They were changed to accommodate our new telephone metering system.
- They were edited for clarity and to correct any noted grammatical and typographical errors.
