The Borrower shall execute and deliver to the DNRC all such documents and instruments and do all such other acts and things as may be necessary or required by the DNRC to enable the DNRC to exercise and enforce its rights under the Resolution, the Series 2015 Bond and the Collateral Documents and to realize thereon, and record and file and re-record and refile all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be necessary or required by the DNRC to validate, preserve and protect the position of the DNRC under the Resolution, the Series 2015 Bond and the Collateral Documents.

(d) Maintenance of Security, if Any; Recordation of Interest.

(1) The Borrower shall, at its expense, take all necessary action to maintain and preserve the lien and security interest of the Resolution and the Collateral Documents so long as any amount is owing under the Resolution or the Series 2015 Bond;

(2) The Borrower shall forthwith, after the execution and delivery of the Series 2015 Bond and thereafter from time to time, cause the Resolution and any Collateral Documents granting a security interest in revenues or real or personal property and any financing statements or other notices or documents relating thereto to be filed, registered and recorded in such manner and in such places as may be required by law in order to perfect and protect fully the lien and security interest hereof and thereof and the security interest in them granted by the Resolution and, from time to time, shall perform or cause to be performed any other act required by law, including executing or causing to be executed any and all required continuation statements and shall execute or cause to be executed any further instruments that may be requested by the DNRC for such perfection and protection; and

(3) Except to the extent it is exempt therefrom, the Borrower shall pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment of the documents described in subparagraph (2), and all federal or state fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with

the execution and delivery of the Series 2015 Bond and the Collateral Documents and the documents described in subparagraph (2).

(e) Additional Agreements. The Borrower covenants to comply with all representations, covenants, conditions and agreements, if any, set forth in Appendix C hereto.

(f) Financial Information. This Section 2.3(f) supplements, and is not intended to limit, the requirements in Section 2.2(f) of the Original Resolution, as amended by Section 11.3 of this Supplemental Resolution. The Borrower agrees that for each fiscal year it shall furnish to the DNRC and the DEQ, promptly when available:

(1) the preliminary annual budget for the System, with items for the 2015 Project shown separately; and

(2) when adopted, the final annual budget for the System, with items for the 2015 Project shown separately.

(g) 2015 Project Accounts. The Borrower shall maintain 2015 Project accounts in accordance with generally accepted government accounting standards.

(h) Records. After reasonable notice from the EPA or the DNRC, the Borrower shall make available to the EPA or the DNRC such records as the EPA or the DNRC reasonably requires to review and determine compliance with the Safe Drinking Water Act, as provided in Section 75-6-224(1)(h) of the State Act.

(i) Compliance with Safe Drinking Water Act. The Borrower has complied and shall comply with all conditions and requirements of the Safe Drinking Water Act pertaining to the 2015 Loan and the 2015 Project.

(j) Compliance with DEQ Requirements. The Borrower shall comply with plan, specification and other requirements for public water systems established by the DEQ, as required by Section 75-6-224(1)(h) of the State Act.

Section 2.4 Covenants Relating to the Tax-Exempt Status of the State Bonds.

(a) The Borrower covenants and agrees that it will not use or permit to be used any of the proceeds of the Series 2015 Bond or any other funds of the Borrower in respect of the 2015 Project or the Series 2015 Bond, directly or indirectly, in a manner that would cause, or take any other action that would cause, any State Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code or would otherwise cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(b) The Borrower agrees that it will not enter into, or allow any "related person" (as defined in Section 147(a)(2) of the Code) to enter into, any arrangement, formal or informal, for the purchase of the State Bonds or any other obligations of the DNRC in an amount related to the amount of the Loan or the portion of the Loan derived directly or indirectly from proceeds of the

State Bonds or that would otherwise cause any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code.

(c) The Borrower shall not use or permit the use of the 2015 Project directly or indirectly in any trade or business carried on by any Person who is not a Governmental Unit. For the purpose of this subparagraph, use as a member of the general public (within the meaning of the Regulations) shall not be taken into account and any activity carried on by a Person other than a natural person shall be treated as a trade or business.

(d) Any portion of the 2015 Project being refinanced or the cost of which is being reimbursed was acquired by and is now and shall, during the term of the Loan, be owned by the Borrower and not by any other Person. Any portion of the 2015 Project being financed shall be acquired by and shall, during the term of the Loan, be owned by the Borrower and not by any other Person. Notwithstanding the previous two sentences, the Borrower may transfer the 2015 Project or a portion thereof to another Governmental Unit which is also a Public Entity if such transfer is otherwise permitted under the Resolution and if such organization agrees with the DNRC to comply with Section 2.3(h), Section 2.3(i) and Section 2.4 of this Supplemental Resolution and if the DNRC receives an Opinion of Bond Counsel that such transfer will not violate the State Act or the Safe Drinking Water Act or adversely affect the exclusion of interest on the State Bonds from gross income or purposes of federal income taxation. In addition, except as otherwise provided in the Resolution or in any Collateral Documents, the Borrower may sell or otherwise dispose of any portion of the 2015 Project which has become obsolete or outmoded or is being replaced or for other reasons is not needed by the Borrower or beneficial to the general public or necessary to carry out the purposes of the Safe Drinking Water Act.

(e) At the Closing of the 2015 Loan, the DNRC will, if necessary to obtain the Opinion of Bond Counsel described in Section 7.05(a) of the Indenture, deliver to the Borrower instructions concerning compliance by the Borrower with the arbitrage rebate requirements of Section 148 of the Code (the “Arbitrage Rebate Instructions”). The Borrower shall comply with the Arbitrage Rebate Instructions, if any, delivered to it by the DNRC at Closing, as such Instructions may be amended or replaced by the DNRC from time to time. The Arbitrage Rebate Instructions may be amended or replaced by new Arbitrage Rebate Instructions delivered by the DNRC and accompanied by an Opinion of Bond Counsel to the effect that the use of said amended or new Arbitrage Rebate Instructions will not adversely affect the excludability of interest on the State Bonds or any Additional State Bonds (except State Bonds the interest on which the State did not intend to be excluded from gross income for federal income tax purposes) from gross income of the recipients thereof for federal income tax purposes.

(f) The Borrower agrees that during the term of the 2015 Loan it will not contract with or permit any Private Person to manage the 2015 Project or any portion thereof except according to a written management contract and upon delivery to the DNRC of an opinion of Bond Counsel to the effect that the execution and delivery of such management contract will not violate the State Act or the Safe Drinking Water Act or adversely affect the exclusion of interest on State Bonds from gross income or purposes of federal income taxation.

(g) The Borrower may not lease the 2015 Project or any portion thereof to any Person other than a Nonexempt Person which agrees in writing with the Borrower and the State not to

cause any default to occur under the Resolution; provided the Borrower may lease all or any portion of the 2015 Project to a Nonexempt Person pursuant to a lease which in the Opinion of Bond Counsel delivered to the DNRC will not cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(h) The Borrower shall not change the use or nature of the 2015 Project if (i) such change will violate the Safe Drinking Water Act, or (ii) so long as the State Bonds are outstanding unless, in the Opinion of Bond Counsel delivered to the DNRC, such change will not result in the inclusion in gross income of interest on the State Bonds for federal income tax purposes.

Section 2.5 Maintenance of System; Liens. The Borrower shall maintain the System, including the 2015 Project, in good condition and make all necessary renewals, replacements, additions, betterments and improvements thereto. The Borrower shall not grant or permit to exist any lien on the 2015 Project or any other property making up part of the System, other than liens securing Debt where a parity or senior lien secures the Series 2015 Bond; provided that this Section 2.5 shall not be deemed to be violated if a mechanic's or contractor's lien is filed against any such property so long as the Borrower uses its best efforts to obtain the discharge of such lien and promptly reports to the DNRC the filing of such lien and the steps it plans to take and does take to discharge of such lien.

Section 2.6 Maintenance of Existence; Merger, Consolidation, Etc.; Disposition of Assets. The Borrower shall maintain its corporate existence, except that it may consolidate with or merge into another Governmental Unit or permit one or more Governmental Units to consolidate with or merge into it or may transfer all or substantially all of its assets to another Governmental Unit and then dissolve if the surviving, resulting or transferee entity (if other than the Borrower) (i) is a Public Entity and (ii) assumes in writing all of the obligations of the Borrower under the Resolution, the Series 2015 Bond and the Collateral Documents, and (a) such action does not result in any default in the performance or observance of any of the terms, covenants or agreements of the Borrower under the Resolution, the Series 2015 Bond and the Collateral Documents, (b) such action does not violate the State Act or the Safe Drinking Water Act and does not adversely affect the exclusion of interest on the Series 2015 Bond or the State Bonds from gross income for federal income tax purposes and (c) the Borrower delivers to the DNRC on the date of such action an Opinion of Bond Counsel that such action complies with this Section 2.6.

Other than pursuant to the preceding paragraph, the Borrower shall not transfer the System or any portion thereof to any other Person, except for property which is obsolete, outmoded, worn out, is being replaced or otherwise is not needed for the operation of the System, unless the provisions of (a) and (b) of the preceding paragraph are satisfied and the Borrower delivers to the DNRC an Opinion of Bond Counsel to that effect and, in addition, the DNRC consents to such transfer.

ARTICLE III

USE OF PROCEEDS; THE 2015 Project

Section 3.1 Use of Proceeds. The Borrower shall apply the proceeds of the 2015 Loan from the DNRC solely as follows:

(a) The Borrower shall apply the proceeds of the 2015 Loan solely to the financing, refinancing or reimbursement of the costs of the 2015 Project as set forth in Appendix A hereto and this Section 3.1. The 2015 Loan will be disbursed in accordance with ARTICLE IV hereof and Article VII of the Indenture. If the 2015 Project has not been completed prior to Closing, the Borrower shall, as quickly as reasonably possible, complete the 2015 Project and expend proceeds of the 2015 Loan to pay the costs of completing the 2015 Project.

(b) No portion of the proceeds of the 2015 Loan shall be used to reimburse the Borrower for costs paid prior to the date of adoption of this Supplemental Resolution of a Project the construction or acquisition of which occurred or began earlier than June 1, 1993. In addition, if any proceeds of the Loan are to be used to reimburse the Borrower for 2015 Project costs paid prior to the date of adoption of this Supplemental Resolution, the Borrower shall have complied with Section 1.150-2 of the Regulations in respect of such costs.

(c) Any Debt to be refinanced with proceeds of the Loan was incurred after June 1, 1993 for a Project the construction or acquisition of which began after June 1, 1993. No proceeds of the Loan shall be used for the purpose of refinancing an obligation the interest on which is exempt from federal income tax or excludable from gross income for purposes of federal income taxation unless the DNRC has received an Opinion of Bond Counsel, satisfactory to it, to the effect that such refinancing will not adversely affect the exclusion of interest on the State Bonds from gross income for purposes of federal income taxation.

Section 3.2 The 2015 Project. Set forth in Appendix A to this Supplemental Resolution is a description of the 2015 Project, which describes the property which has been or is to be acquired, installed, constructed or improved and the other activities, if any to be funded from the Loan (the 2015 Project may consist of more than one facility or activity), and an estimated budget relating to the 2015 Project. The 2015 Project may be changed and the description thereof in Appendix A may be amended from time to time by the Borrower but only after delivery to the DNRC of the following:

(a) A certificate of the Borrower setting forth the amendment to Appendix A and stating the reason therefor, including statements whether the amendment would cause an increase or decrease in the cost of the 2015 Project, an increase or decrease in the amount of Loan proceeds which will be required to complete the 2015 Project and whether the change will materially accelerate or delay the construction schedule for the 2015 Project;

(b) A written consent to such change in the 2015 Project by an Authorized DNRC Officer;

(c) An Opinion or Opinions of Bond Counsel stating that the 2015 Project, as constituted after such amendment, is, and was at the time the State Bonds were issued, eligible for financing under the State Act and is, and was at the time the Series 2015 Bond was issued, eligible for financing under the Act, such amendment will not violate the State Act or the Act and such amendment will not adversely affect the exclusion of interest on the State Bonds or the Series 2015 Bond from gross income for purposes of federal income taxation. Such an Opinion of Bond Counsel shall not be required for amendments which do not affect the type of facility to be constructed or activity to be financed; and

The Borrower acknowledges and agrees that an increase in the principal amount of the 2015 Loan may be made only upon an application to the DEQ, the DNRC and the Trustee, in such form as the DEQ shall specify, which is approved by the DEQ and the DNRC, in their sole and absolute discretion, and adoption by the governing body of the Borrower of a resolution amendatory of or supplementary to the Resolution authorizing the additional loan and delivery of written certifications by officers of the Borrower to the DEQ, the DNRC and the Trustee to the effect that all representations and covenants contained in the resolution as it may be so amended or supplemented are true as of the date of closing of the additional loan and compliance with applicable tests for the incurrence of such Debt. No assurance can be given that any additional loan funds will be available under the Program at the time of any such application or thereafter. The Borrower acknowledges and agrees that neither the DEQ, the DNRC, the Trustee nor any of their agents, employees or representatives shall have any liability to the Borrower and have made no representations to the Borrower as to the sufficiency of the 2015 Loan to pay costs of the 2015 Project or as to the availability of additional funds under the Program to increase the principal amount of the Loan.

Section 3.3 2015 Project Representations and Covenants. The Borrower hereby represents to and covenants with the DNRC that:

(a) all construction of the 2015 Project has complied and will comply with all federal and state standards, including, without limitation, EPA regulations and standards;

(b) all future construction of the 2015 Project will be done only pursuant to fixed price construction contracts. The Borrower shall obtain a performance and payment bond from the contractor for each construction contract in the amount of 100% of the construction price and ensure that such bond is maintained until construction is completed to the Borrower's, the DNRC's and the DEQ's satisfaction;

(c) all future construction of the 2015 Project will be done in accordance with plans and specifications on file with the DNRC and the DEQ, provided that changes may be made in such plans and specifications with the written consent of an Authorized DNRC Officer and the DEQ;

(d) all laborers and mechanics employed by contractors and subcontractors on the 2015 Project have been and will be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the United States Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code;

(e) the iron and steel products used in the 2015 Project comply with the “American Iron and Steel” requirements of Section 436 of the Consolidated Appropriations Act of 2014 (P.L. 113-76), as those requirements are further interpreted by applicable EPA guidance;

(f) the 2015 Project is a project of the type permitted to be financed under the Act, the State Act and the Program and Section 1452 of the Safe Drinking Water Act; and

(g) the Borrower has undertaken or will undertake the 2015 Project promptly after the Closing date and will cause the 2015 Project to be completed as promptly as practicable with all reasonable dispatch, except only as completion may be delayed by a cause or event not reasonably within the control of the Borrower; it is estimated by the Borrower that the 2015 Project will be substantially completed by November 2015.

Section 3.4 Completion or Cancellation or Reduction of Costs of the 2015 Project.

(a) Upon completion of the 2015 Project, the Borrower shall deliver to the DNRC a certificate stating that the 2015 Project is complete, stating the amount, if any, of the Reserved Amounts, and releasing the remaining amount, if any, of the Committed Amount. If any Reserved Amount is not later needed, the Borrower shall so inform the DNRC and release such amount. If Appendix A describes two or more separate projects as making up the 2015 Project, a separate completion certificate shall be delivered for each.

(b) If all or any portion of the 2015 Project is cancelled or cut back or its costs are reduced or for any other reason the Borrower will not require the full Committed Amount, the Borrower shall promptly notify the DNRC in writing of such fact and release the portion of the Committed Amount which will not be needed.

ARTICLE IV

THE LOAN

Section 4.1 The Loan; Disbursement of Loan. The DNRC has agreed to lend to the Borrower, from time to time as the requirements of this Section 4.1 are met, an amount up to \$3,700,000 (the “Committed Amount”) for the purposes of financing, refinancing or reimbursing the Borrower for the costs of the 2015 Project; provided the DNRC shall not be required to loan any proceeds of the State Bonds to the Borrower after March 2016. The Committed Amount may be reduced as provided in Sections 3.2(a) and 3.4 of this Supplemental Resolution. The 2015 Loan shall be disbursed as provided in this Section 4.1. The DNRC intends to disburse the 2015 Loan through the Trustee.

(a) In consideration of the issuance of the Series 2015 Bond by the Borrower, the DNRC shall make, or cause the Trustee to make, a disbursement of all or a portion of the 2015 Loan upon receipt of the following documents:

(1) an Opinion of Bond Counsel as to the validity and enforceability of the Series 2015 Bond and the security therefor and stating in effect that interest on the Series 2015

Bond is not includable in gross income of the owner thereof for purposes of federal income taxation, in form and substance satisfactory to the DNRC;

(2) the Series 2015 Bond, fully executed and authenticated;

(3) a certified copy of the Resolution and this Supplemental Resolution;

(4) any other security instruments or documents required by the DNRC or DEQ as a condition to their approval of the 2015 Loan;

(5) if all or part of a Loan is being made to refinance a Project or reimburse the Borrower for the costs of a Project paid prior to the Closing, evidence, satisfactory to the DNRC and the Bond Counsel referred to in (1) above, (A) that the acquisition or construction of the Project was begun no earlier than June 1, 1993 or the debt was incurred no earlier than June 1, 1993, (B) of the Borrower's title to the Project, (C) of the costs of such Project and that such costs have been paid by the Borrower and (D) if such costs were paid before adoption of this Supplemental Resolution that the Borrower has complied with Section 1.150-2 of the Regulations;

(6) the items required by the Indenture for the portion of the 2015 Loan to be disbursed at Closing; and

(7) such other certificates, documents and other information as the DNRC, the DEQ or the Bond Counsel giving the opinion referred to in subparagraph (1) may require (including any necessary arbitrage rebate instructions).

(b) In order to obtain a disbursement of a portion of the 2015 Loan to pay costs of the 2015 Project, the Borrower shall submit to the DNRC and the Trustee a signed request for disbursement on the form prescribed by the DNRC, with all attachments required by such form. The Borrower may obtain disbursements only for costs which have been legally incurred and are due and payable. All Loan disbursements will be made to the Borrower only upon proof that cost was incurred.

(c) For refinancings, a disbursement schedule complying with the requirements of the Safe Drinking Water Act shall be established by the DNRC and the Borrower at Closing. The Trustee shall disburse 2015 Loan amounts directly to the holder of the debt being refinanced according to such schedule. If the Borrower should repay all or a portion of the debt to be refinanced from other sources or should otherwise not need any portion of the 2015 Loan which was to have been used to refinance such debt, it shall inform the DNRC and the Trustee of such fact pursuant to Section 3.4(b) and a new disbursement schedule shall be drawn up by the DNRC. The DNRC shall obtain a receipt from the holder of the debt being refinanced for each disbursement made to pay or prepay a portion of such debt.

(d) If all or a portion of a Loan is made to reimburse a Borrower for Project costs paid by it prior to Closing, the Borrower shall present at Closing the items required by Section 4.1(b) relating to such costs. The Trustee shall disburse such amounts to the Borrower pursuant to a

disbursement schedule complying with the requirements of the Safe Drinking Water Act established by the DNRC and the Borrower at the Closing.

(e) Notwithstanding anything else provided herein, the Trustee shall not be obligated to disburse the Loan any faster or to any greater extent than it has available EPA Capitalization Grants, Bond proceeds and other amounts available therefor in the Revolving Fund. The DNRC shall not be required to do “overmatching” pursuant to Section 5.04(b) of the Indenture, but may do so in its discretion. The Borrower acknowledges that if Project costs are incurred faster than the Borrower projected at Closing, there may be delays in making Loan disbursements for such costs because of the schedule under which EPA makes EPA Capitalization Grant money available to the DNRC. The DNRC will use its best efforts to obtain an acceleration of such schedule if necessary.

(f) Upon making each 2015 Loan disbursement, the Trustee shall note such disbursement on Schedule A to the Series 2015 Bond.

(g) The Borrower agrees that it will deposit in the Reserve Account upon receipt thereof, on the date of the first advance under the 2015 Loans and any subsequent disbursement dates, any proceeds of the 2015 Loans borrowed for the purpose of increasing the balance in the Reserve Account in an amount then required to satisfy the Reserve Requirement. The Borrower further acknowledges and agrees that any portion of the 2015 Loan representing capitalized interest shall be advanced only on Payment Dates and shall be transferred by the Trustee on the Payment Date directly to the Debt Service Account. The amount of any such transfer shall be a credit against the interest payments due on the Series 2015 Bond and interest thereon shall accrue only from the date of transfer.

(h) Compliance by the Borrower with its representations, covenants and agreements contained in the Resolution, this Supplemental Resolution and the Collateral Documents shall be a further condition precedent to the disbursement of the Loan in whole or in part. The DNRC and the Trustee, in their sole and absolute discretion, may make one or more disbursements, in whole or in part, notwithstanding such noncompliance, and without liability to make any subsequent disbursement of the Loan.

Section 4.2 Commencement of Loan Term. The Borrower’s obligations under this Supplemental Resolution and the Collateral Documents shall commence on the date hereof unless otherwise provided in this Supplemental Resolution. However, the obligation to make payments under ARTICLE V hereof shall commence only upon the first disbursement by the Trustee of the 2015 Loan proceeds.

Section 4.3 Termination of Loan Term. The Borrower’s obligations under the Resolution and the Collateral Documents in respect of the Series 2015 Bond shall terminate upon payment in full of all amounts due under the Series 2015 Bond and the Resolution in respect thereof; provided, however, that the covenants and obligations provided in ARTICLE VI and Section 10.4 of this Supplemental Resolution shall survive the termination of the Resolution.

Section 4.4 Loan Closing Submissions. On or prior to the Closing, the Borrower will have delivered to the DNRC and the Trustee the closing submissions required by Section 7.05 of the Indenture.

ARTICLE V

REPAYMENT OF 2015 LOAN

Section 5.1 Repayment of 2015 Loan. The Borrower shall repay the amounts lent to it pursuant to Section 4.1 hereof, plus interest on the unpaid amounts lent at the rate of two percent (2.00%) per annum, in semiannual Loan Repayments. In addition, the Borrower shall pay an Administrative Expense Surcharge and a Loan Loss Reserve Surcharge, each at the rate of twenty-five hundredths of one percent (0.25%) per annum on the outstanding principal amount of the 2015 Loan. For purposes of this Supplemental Resolution and the Program, the term "Interest on the Loan" or "Interest on the 2015 Loan" shall include the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge. The Borrower shall pay all Loan Repayments and Administrative Expense Surcharge and Loan Loss Reserve Surcharge in lawful money of the United States of America to the DNRC. Interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be calculated on the basis of a year of 360 days comprising 12 months of 30 days each.

The Loan Repayments required by this Section 5.1, and the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge, shall be due on each January 1 and July 1 (the "Payment Dates"), as follows:

(a) interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the outstanding principal balance of the 2015 Loan shall be payable on each January 1 and July 1, beginning on July 1, 2015 and concluding on January 1, 2035; and

(b) the principal of the 2015 Loan shall be repayable on each Payment Date, beginning on July 1, 2015 and concluding on January 1, 2035, and the amount of each principal payment shall be calculated on the basis of an interest rate of 2.50% per annum; provided that principal of the 2015 Loan is payable only in amounts that are multiples of \$1,000.

The payments of principal of and interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the 2015 Loan shall be due on the dates and in the amounts shown in Schedule B to the Series 2015 Bond, as such Schedule B shall be modified from time to time as provided below. The portion of each such Loan Repayment consisting of principal and the portion consisting of interest and the amount of each Administrative Expense Surcharge and the amount of each Loan Loss Reserve Surcharge shall be set forth in Schedule B to the Series 2015 Bond. Upon each disbursement of 2015 Loan amounts to the Borrower pursuant to Section 4.1 hereof, the Trustee shall enter or cause to be entered the amount advanced on Schedule A to the Series 2015 Bond under "Advances" and the total amount advanced under Section 4.1, including such disbursement, under "Total Amount Advanced."

If the advance was made to pay costs of the 2015 Project pursuant to Section 4.1(b), interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on such advance shall accrue from the date the advance is made and shall be payable on each Payment Date thereafter. Once the completion certificate for the 2015 Project has been delivered to the DNRC, the Trustee shall revise Schedule B to the Series 2015 Bond in accordance with this Section 5.1 and the Trustee shall send a copy of such Schedule B to the Borrower within one month after delivery of the completion certificate.

Past-due payments of principal and interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall bear interest at the rate of ten percent (10.00%) per annum, until paid.

Any payment of principal, interest or Administrative Expense Surcharge and Loan Loss Reserve Surcharge under this Section 5.1 shall also be credited against the same payment obligation under the Series 2015 Bond.

Section 5.2 Additional Payments. The Borrower shall also pay, within 30 days after receipt of a bill therefor, from any legally available funds therefor, including proceeds of the Loan, if the Borrower so chooses, all reasonable expenses of the DNRC and the Trustee in connection with the Loan, the Collateral Documents and the Series 2015 Bond, including, but not limited to:

(a) the cost of reproducing this Supplemental Resolution, the Collateral Documents and the Series 2015 Bond;

(b) the fees and disbursements of Bond Counsel and other Counsel utilized by the DNRC and the Trustee in connection with the Loan, the Resolution, the Collateral Documents and the Series 2015 Bond and the enforcement thereof; and

(c) all taxes and other governmental charges in connection with the execution and delivery of the Collateral Documents or the Series 2015 Bond, whether or not the Series 2015 Bond is then outstanding, including all recording and filing fees relating to the Collateral Documents and the pledge of the State's right, title and interest in and to the Series 2015 Bond, the Collateral Documents and the Resolution under the Resolution (and with the exceptions noted therein) and all expenses, including attorneys' fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof or thereof.

Section 5.3 Prepayments. The Borrower may not prepay all or any part of the outstanding principal amount of the Series 2015 Bond, unless (i) it obtains the prior written consent of the DNRC thereto, and (ii) no Loan Repayment or Administrative Expense Surcharge or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2015 Bond is prepaid in part pursuant to this Section 5.3, such prepayments shall be applied to principal payments in inverse order of maturity.

Section 5.4 Obligations of Borrower Unconditional. The obligations of the Borrower to make the payments required by the Resolution and the Series 2015 Bond and to perform its other agreements contained in the Resolution, the Series 2015 Bond and Collateral Documents shall be absolute and unconditional, except as otherwise provided herein or in such documents. The Borrower (a) shall not suspend or discontinue any payments provided for in the Resolution and the Series 2015 Bond, (b) shall perform all its other agreements in the Resolution, the Series 2015 Bond and the Collateral Documents and (c) shall not terminate the Resolution, the Series 2015 Bond or the Collateral Documents for any cause, including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the 2015 Project or the System, commercial frustration of purpose, any dispute with the DNRC or the EPA, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the DNRC to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with the Resolution.

Section 5.5 Limited Liability. All payments of principal of and interest on the Loan and other payment obligations of the Borrower hereunder and under the Series 2015 Bond shall be special, limited obligations of the Borrower payable solely out of the Net Revenues and shall not, except at the option of the Borrower and as permitted by law, be payable out of any other revenues of the Borrower. The obligations of the Borrower under the Resolution and the Series 2015 Bond shall never constitute an indebtedness of the Borrower within the meaning of any state constitutional provision or statutory or charter limitation and shall never constitute or give rise to a pecuniary liability of the Borrower or a charge against its general credit or taxing power. The taxing powers of the Borrower may not be used to pay principal of or interest on the Series 2015 Bond, and no funds or property of the Borrower other than the Net Revenues may be required to be used to pay principal of or interest on the Series 2015 Bond.

ARTICLE VI

INDEMNIFICATION OF DNRC AND DEQ

ARTICLE IX

SECURITY FOR THE SERIES 2015 BOND

The Series 2015 Bond is issued as an Additional Bond under Section 10.3 of the Original Resolution, as amended by this Supplemental Resolution, and shall, with the Series 2005 Bond, the Series 2009B Bond, the Series 2009C Bond, the Series 2009D Bond, the Series 2010B Bond, the Series 2012 Bond, the Series 2014 Bond and any other Additional Bonds issued under the provisions of Section 10.3 of the Original Resolution, as amended by this Supplemental Resolution, be equally and ratably secured by the provisions of the Resolution and payable out of the Net Revenues appropriated to the Revenue Bond Account of the Water System Fund, without preference or priority, all as provided in the Resolution, and secured by the Reserve Account, as further provided in Section 11.5 of the Original Resolution. Upon advancement of principal of the Series 2015 Bond, the City Finance Director shall transfer from proceeds of the Series 2015 Bond such amount or amounts to the Reserve Account to cause the balance therein to equal the Reserve Requirement in respect of the Series 2005 Bond, Series 2009B Bond, the Series 2009C Bond, the Series 2009D Bond, the Series 2010B Bond, the Series 2012 Bond, the Series 2014 Bond and the principal of the Series 2015 Bond so advanced. Thereafter, upon each monthly apportionment, from the Net Revenues remaining after the apportionment to the Revenue Bond Account, the Borrower shall credit to the Reserve Account such additional Net Revenues as may be required to establish and thereafter maintain the balance in an amount equal, as of the date of calculation, to the Reserve Requirement. The Borrower shall keep, perform and observe each and every one of its covenants and undertakings set forth in the Resolution for the benefit of the registered owners from time to time of the Series 2015 Bond.

ARTICLE X

TAX MATTERS

Section 10.1 Use of 2015 Project. The 2015 Project will be owned and operated by the Borrower and available for use by members of the general public on a substantially equal basis. The Borrower shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the 2015 Project or the System or security for the payment of the

Series 2015 Bond which might cause the Series 2015 Bond to be considered a “private activity bond” or “private loan bond” within the meaning of Section 141 of the Code.

Section 10.2 General Covenant. The Borrower covenants and agrees with the owners from time to time of the Series 2015 Bond that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Series 2015 Bond to become includable in gross income for federal income tax purposes under the Code and the Regulations, and covenants to take any and all actions within its powers to ensure that the interest on the Series 2015 Bond will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

Section 10.3 Arbitrage Certification. The Mayor, City Finance Director, and City Clerk, being the officers of the Borrower charged with the responsibility for issuing the Series 2015 Bond pursuant to the Resolution, are authorized and directed to execute and deliver to the DNRC a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Series 2015 Bond, it is reasonably expected that the proceeds of the Series 2015 Bond will be used in a manner that would not cause the Series 2015 Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the Regulations.

Section 10.4 Arbitrage Rebate. The Borrower acknowledges that the Series 2015 Bond is subject to the rebate requirements of Section 148(f) of the Code. The Borrower covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Treasury Regulations to preserve the exclusion of interest on the Series 2015 Bond from gross income for federal income tax purposes, unless the Series 2015 Bond qualifies for the exception from the rebate requirement under Section 148(f)(4)(B) of the Code and no “gross proceeds” of the Series 2015 Bond (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof. In furtherance of the foregoing, the City Finance Director is hereby authorized and directed to execute a Rebate Certificate, substantially in the form to be prepared by Bond Counsel, and the Borrower hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

Section 10.5 Information Reporting. The Borrower shall file with the Secretary of the Treasury, not later than August 15, 2015, a statement concerning the Series 2015 Bond containing the information required by Section 149(e) of the Code.
