RESOLUTION NO. 15-10448

RESOLUTION RELATING TO \$9,615,000 STORM SEWER REVENUE BONDS, SERIES 2015; AUTHORIZING THE SALE AND PRESCRIBING THE FORMS AND TERMS THEREOF AND THE SECURITY THEREFOR

BE IT RESOLVED by the City Council (the "Council") of the City of Billings, Montana (the "City"), as follows:

Section 1. Definitions, Authorizations and Findings.

1.01. Authorization. Under the Act, the City is authorized to issue and sell its revenue bonds payable during a term not exceeding forty years from their date of issue, to provide funds for the reconstruction, improvement, betterment and extension of a storm sewer system; provided that the bonds and the interest thereon are to be payable solely out of the income and revenues to be derived from rates, fees and charges for the services, facilities and commodities furnished by such storm sewer system, and are not to create any obligation of the City for the payment of which taxes may be levied except to pay for services provided by the storm sewer system to the City.

1.02. Original Resolution; Outstanding Bonds. In accordance with the authorization described in Section 1.01 and pursuant to Resolution No. 13-19323 of the City, adopted by the Council on October 28, 2013 (the "Original Resolution"), the City issued its Storm Sewer Revenue Bonds, Series 2013 (the "Series 2013 Bonds"), which are outstanding as of the date hereof in the aggregate principal amount of \$4,170,000. Capitalized terms, used but not defined herein, shall have the meanings ascribed to them in the Resolution.

1.03. Parity Bonds. In Section 4 of the Original Resolution, the City reserved the right to issue Additional Bonds payable from and secured by the Net Revenues of the System on a parity with the Series 2013 Bonds on certain terms and conditions. Based on the Net Revenues of the System for fiscal year ended June 30, 2014, it is determined that the City is authorized to issue a series of bonds (the "Series 2015 Bonds") in the aggregate principal amount of \$9,615,000 in order to finance or reimburse the costs of the 2015 Project, which bonds shall be payable from and secured by the Net Revenues of the System on a parity with the Series 2013 Bonds.

1.04. 2015 Project. After investigation of the facts and as authorized by the Act, this Council has determined it to be necessary and desirable to undertake certain storm drain improvements as further described on Exhibit A hereto (the "2015 Project"). The estimated costs of the 2015 Project, including engineering and financing costs, are presently estimated to be \$10,515,370.35, and consist of the following items:

Design and Construction Administration	\$ 1,314,282.00
Construction	7,622,290.00
Project Management	96,644.00
Utility Relocations	250,000.00
Contingency	381,115.00
Costs of Issuance	87,855.59
Underwriter's Discount	81,727.50
Deposit to Reserve Account	681,456.26
Total	\$10,515,370.35

Costs of the 2015 Project in excess of the proceeds of the Series 2015 Bonds shall be paid from Revenues of the System available therefor (\$399,711.00), including specifically the City's project management costs.

1.05. Findings and Determinations. It is hereby found, determined and declared by this Council as follows:

(a) The City is authorized under the Act to charge just and equitable rates, charges and rentals for all services directly or indirectly furnished by the System, and to pledge and appropriate to the payment of the Bonds the revenues to be derived from the operation of the System, including improvements, betterments or extensions thereof hereafter constructed or acquired.

(b) The Net Revenues to be produced by such rates, charges and rentals during the term of the Series 2015 Bonds will be sufficient to pay the principal of and interest when due on the Series 2013 Bonds and the Series 2015 Bonds, to create and maintain reasonable reserves therefor, to pay the reasonable and ordinary costs of operating and maintaining the System and to provide an adequate allowance for replacement and repair, as herein prescribed or prescribed in the Resolution. Upon the issuance of the Series 2015 Bonds, the only Bonds payable from the System will be the Series 2013 Bonds and the Series 2015 Bonds.

(c) It is in the best interests of the City and its residents to issue and sell the Series 2015 Bonds to finance or reimburse the costs of the 2015 Project as provided in this Resolution.

1.06. Authorization and Sale of Series 2015 Bonds. Pursuant to Resolution No. 15-10430 adopted February 23, 2015 (the "Parameters Resolution") and as authorized by Montana Code Annotated, Section 17-5-117, this Council authorized the negotiated sale of the Series 2015 Bonds to Piper Jaffray & Co. and D.A. Davidson & Co. (together, the "Original Purchasers") and authorized the City Administrator and the City Finance Director to enter into a Bond Purchase Agreement with the Original Purchasers (the "Bond Purchase Agreement"). Pursuant to the Bond Purchase Agreement, dated as of April 8, 2015, the Original Purchasers agreed to purchase the Series 2015 Bonds at the aggregate purchase price of \$10,033,931.85 (representing the par amount of the Series 2015 Bonds, less underwriter's compensation of \$81,727.50 plus a net reoffering premium of \$500,659.35), subject to the terms and conditions of the Bond Purchase

Agreement and this Resolution. The net interest cost of the Series 2015 Bonds is 3.129793%. The sale of the Series 2015 Bonds to the Original Purchasers is hereby ratified and confirmed.

1.07. Application of Proceeds of Series 2015 Bonds. The City shall deposit the proceeds of the sale of the Series 2015 Bonds as follows: (i) deposit a sufficient amount to the Reserve Account as to cause the balance therein to equal the Reserve Requirement giving effect to the issuance of the Series 2015 Bonds; and (ii) deposit the balance of the proceeds of the Series 2015 Bonds in the Construction Account to be used to pay costs of the 2015 Project and costs of issuance of the Series 2015 Bonds.

1.08. Recitals. All acts, conditions and things required by the Constitution and laws of the State to be done, to exist, to happen and to be performed prior to the issuance of the Series 2015 Bonds have been done, do exist, have happened, and have been performed in due time, form and manner, wherefore it is now necessary for this Council to establish the form and terms of the Series 2015 Bonds, to provide for the security thereof and to issue the Series 2015 Bonds forthwith.

Section 2. Bond Terms, Execution and Delivery.

*Term Bond subject to mandatory sinking fund redemption as set forth in Section 2.07 below.

Interest shall be calculated on the basis of a 360-day year composed of twelve 30-day months.

2.02. Registered Form, Interest Payment Dates. The Series 2015 Bonds shall be issuable only in fully registered form, and the ownership of the Series 2015 Bonds shall be transferred

only upon the Bond Register. The interest on the Series 2015 Bonds shall be payable on January 1 and July 1 in each year, commencing January 1, 2016. Interest on the Series 2015 Bonds shall be payable to the Owners thereof as of the close of business on the 15th day of the month immediately preceding each Interest Payment Date, whether or not such day is a Business Day. Interest on, and upon presentation and surrender thereof, the principal of each Series 2015 Bond shall be payable by check or draft issued by the Registrar described herein.

2.03. Dated Date. Each Series 2015 Bond shall be dated, as originally issued, as of April 29, 2015, and upon authentication of any Series 2015 Bond the Registrar shall indicate thereon the date of such authentication.

2.04. Registration. The City shall appoint, and shall maintain, a bond registrar, transfer agent and paying agent (the "Registrar"). This Section 2.04 shall establish a system of registration for the Series 2015 Bonds. The effect of registration and the rights and duties of the City and the Registrar with respect thereto shall be as follows:

(a) Bond Register. The Registrar shall keep at its principal office a Bond Register in which the Registrar shall provide for the registration of ownership of Series 2015 Bonds and the registration of transfers and exchanges of Series 2015 Bonds entitled to be registered, transferred or exchanged.

(b) Transfer of Series 2015 Bonds. Upon surrender to the Registrar for transfer of any Series 2015 Bond duly endorsed by the Owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the Owner thereof or by an attorney duly authorized by the Owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Series 2015 Bonds of the same series and a like aggregate principal amount, interest rate and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer of any Series 2015 Bond or portion thereof selected or called for redemption.

(c) Exchange of Series 2015 Bonds. Whenever any Series 2015 Bond is surrendered by the Owner for exchange, the Registrar shall authenticate and deliver one or more new Series 2015 Bonds of the same series and a like aggregate principal amount, interest rate and maturity, as requested by the Owner or the Owner's attorney in writing.

(d) Cancellation. All Series 2015 Bonds surrendered upon any transfer or exchange shall be promptly cancelled by the Registrar and thereafter disposed of as directed by the City.

(e) Improper or Unauthorized Transfer. When any Series 2015 Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Series 2015 Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The City and the Registrar may treat the Person in whose name any Series 2015 Bond is at any time registered in the Bond Register as the absolute owner of such Series 2015 Bond, whether such Series 2015 Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, and interest on such Series 2015 Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability of the City upon such Series 2015 Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of Series 2015 Bonds (except for an exchange upon a partial redemption of a Series 2015 Bond), the Registrar may impose a charge upon the Owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Series 2015 Bonds. In case any Series 2015 Bond shall become mutilated or be lost, stolen or destroyed, the Registrar shall deliver a new Series 2015 Bond of the same series and a like aggregate principal amount, interest rate and maturity in exchange and substitution for and upon cancellation of any such mutilated Series 2015 Bond or in lieu of and in substitution for any such Series 2015 Bond lost, stolen or destroyed, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Series 2015 Bond lost, stolen or destroyed, upon filing with the Registrar of evidence satisfactory to it that such Series 2015 Bond was lost, stolen or destroyed, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the City and the Registrar shall be named as obligees. All Series 2015 Bonds so surrendered to the Registrar shall be cancelled by it and evidence of such cancellation shall be given to the City. If the mutilated, lost, stolen or destroyed Series 2015 Bond has already matured or such Series 2015 Bond has been called for redemption in accordance with its terms, it shall not be necessary to issue a new Series 2015 Bond prior to payment.

2.05. Appointment of Initial Registrar. The City hereby appoints U.S. Bank National Association, of Seattle, Washington, to act as the Registrar. The City reserves the right to appoint a successor Registrar, but the City agrees to pay the reasonable and customary charges of the Registrar for the services performed. Upon merger or consolidation of a bank or trust company that is acting as the Registrar, if the resulting corporation is a bank or trust company authorized by law to conduct such business, such corporation shall be authorized to act as successor Registrar. The City reserves the right to remove any Registrar upon 30 days' notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Series 2015 Bonds in its possession as Registrar to the successor Registrar and shall deliver the Bond Register to the successor Registrar.

2.06. Optional Redemption. The Series 2015 Bonds with Stated Maturities in the years 2016 through 2025 are not subject to redemption prior to their Stated Maturities. The Series 2015 Bonds with Stated Maturities on or after July 1, 2026 are subject to redemption on July 1, 2025 and any date thereafter, at the option of the City, in whole or in part, and if in part from

such Stated Maturities and in such principal amounts as the City may designate in writing to the Registrar (or, if no designation is made, in inverse order of maturities and within a maturity in \$5,000 principal amounts selected by the Registrar by lot or other manner it deems fair), at a Redemption Price equal to the principal amount thereof and interest accrued to the Redemption Date, without premium.

The Redemption Date and the principal amount of the Series 2015 Bonds to be redeemed shall be fixed by the City Finance Director who shall give notice thereof to the Registrar at least 35 days prior to the Redemption Date or such lesser period as the Registrar accepts. The Registrar, at least 30 days prior to the designated Redemption Date, shall cause notice of redemption to be mailed, by first class mail, or by other means required by the securities depository, to the Owners of each Series 2015 Bond to be redeemed at their addresses as they appear on the Bond Register, but no defect in or failure to give such mailed notice shall affect the validity of proceedings for the redemption of any Series 2015 Bond not affected by such defect or failure. The notice of redemption shall specify the Redemption Date, Redemption Price, the numbers, interest rates and CUSIP numbers of the Series 2015 Bonds to be redeemed and the place at which the Series 2015 Bonds are to be surrendered for payment, which is the principal office of the Registrar. Official notice of redemption having been given as aforesaid, the Series 2015 Bonds or portions thereof so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified and from and after such date (unless the City shall default in the payment of the Redemption Price) such Series 2015 Bonds or portions thereof shall cease to bear interest.

2.07. Mandatory Sinking Fund Redemption. The Series 2015 Bonds having Stated Maturities in 2033 and 2035 are subject to mandatory sinking fund redemption on July 1 in the respective years and the respective principal amounts set forth below in \$5,000 principal amounts selected by the Registrar, by lot or other manner it deems fair, at a Redemption Price equal to the principal amount thereof to be redeemed plus interest accrued to the Redemption Date:

2033 Term Bond		2035 Term Bond	
July 1	Sinking Fund Payment Amount	July 1	Sinking Fund Payment Amount
2032	\$595,000	2034	\$635,000
2033*	615,000	2035*	660,000

*Stated Maturity.

If the Term Bonds having Stated Maturities in 2033 and 2035 are not previously purchased by the City in the open market or prepaid, \$615,000 and \$660,000, respectively, in principal amount of such Term Bonds would remain to mature in 2033 and 2035, respectively. The principal amount of such Term Bonds required to be redeemed on the above Sinking Fund Payment Dates shall be reduced by the principal amount of such Term Bonds theretofore redeemed at the option of the City and as to which the City has not previously applied amounts to reduce the principal amount of such Term Bonds on a Sinking Fund Payment Date.

2.08. Execution and Delivery. The Series 2015 Bonds shall be forthwith prepared for execution under the direction of the City Clerk and shall be executed on behalf of the City by the

signatures of the Mayor, the City Finance Director and the City Clerk, provided that said signatures may be printed, engraved or lithographed facsimiles thereof. The seal of the City need not be imprinted on or affixed to any Series 2015 Bond. In case any officer whose signature or a facsimile of whose signature shall appear on the Series 2015 Bonds shall cease to be such officer before the delivery thereof, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. When the Series 2015 Bonds have been so executed by said City officers, they shall be registered by the City Finance Director in accordance with Montana Code Annotated, Section 7-7-4432, as amended. Notwithstanding such execution, no Series 2015 Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless and until a certificate of authentication on such Series 2015 Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Series 2015 Bonds need not be signed by the same representative. The executed certificate of authentication on each Series 2015 Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. When the Series 2015 Bonds have been fully executed and authenticated, they shall be delivered by the Registrar to the Original Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Original Purchaser shall not be obligated to see to the application of the purchase price.

2.09. Securities Depository for the Series 2015 Bonds.

(a) For purposes of this Section 2.09, the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Series 2015 Bond of which DTC (as hereinafter defined) or its nominee is the Owner, the Person (or subrogee of the Person) recorded as the beneficial owner of such Series 2015 Bond on the records of the Participant (as hereinafter defined) in whose name DTC holds such Series 2015 Bond.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Series 2015 Bonds.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds Series 2015 Bonds as securities depository.

“Representation Letter” shall mean the Blanket Issuer Letter of Representations pursuant to which the City agrees to comply with DTC’s Operational Arrangements.

(b) The Series 2015 Bonds shall be initially issued as separately authenticated fully registered Series 2015 Bonds, and one Series 2015 Bond shall be issued in the principal amount of each Stated Maturity of the Series 2015 Bonds. Upon initial issuance, the ownership of all Series 2015 Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC. The Registrar and the City may treat DTC (or its nominee) as the sole and exclusive Owner of the Series 2015 Bonds registered in its name for the purposes of payment of

the principal of or interest on the Series 2015 Bonds, selecting the Series 2015 Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to Owners of Series 2015 Bonds under this Resolution, registering the transfer of Series 2015 Bonds, and for all other purposes whatsoever; and neither the Registrar nor the City shall be affected by any notice to the contrary. Neither the Registrar nor the City shall have any responsibility or obligation to any Participant, any Person claiming a beneficial ownership interest in the Series 2015 Bonds under or through DTC or any Participant, or any other Person which is not shown on the Bond Register as being an Owner, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Series 2015 Bonds, with respect to any notice which is permitted or required to be given to Owners under this Resolution, with respect to the selection by DTC or any Participant of any Person to receive payment in the event of a partial redemption of the Series 2015 Bonds, or with respect to any consent given or other action taken by DTC as Owner of the Series 2015 Bonds. So long as any Series 2015 Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Series 2015 Bond, and shall give all notices with respect to such Series 2015 Bond, only to Cede & Co. in accordance with the Representation Letter, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal of and interest on the Series 2015 Bonds to the extent of the sum or sums so paid. Unless the services of DTC as securities depository with respect to the Series 2015 Bonds are terminated as provided in subsection (c) hereof, no Person other than DTC shall receive an authenticated Series 2015 Bond for each separate stated maturity evidencing the obligation of the City to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Series 2015 Bonds will be transferable to such new nominee in accordance with subsection (e) hereof.

(c) In the event the City determines to discontinue the book-entry-only system for the Series 2015 Bonds, the City may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Series 2015 Bonds in the form of certificates. In such event, the Series 2015 Bonds will be transferable in accordance with subsection (e) hereof. DTC may determine to discontinue providing its services with respect to the Series 2015 Bonds at any time by giving notice to the City and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Series 2015 Bonds will be transferable in accordance with subsection (e) hereof.

(d) The Representation Letter sets forth certain matters with respect to, among other things, notices, consents and approvals by Owners and Beneficial Owners and payments on the Series 2015 Bonds. The Registrar shall have the same rights with respect to its actions thereunder as it has with respect to its actions under this Resolution.

(e) In the event that any transfer or exchange of Series 2015 Bonds is permitted under subsection (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Series 2015 Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this Resolution. In the event Series 2015 Bonds in the form of certificates are issued to Owners other than Cede & Co., its successor as nominee for DTC as Owner of all the Series 2015 Bonds, or another securities

depository as Owner of all the Series 2015 Bonds, the provisions of this Resolution shall also apply to all matters relating thereto, including, without limitation, the preparation of such Series 2015 Bonds in the form of Series 2015 Bond certificates and the method of payment of principal of and interest on such Series 2015 Bonds in the form of Series 2015 Bond certificates.

2.10. Form of Series 2015 Bonds. The Series 2015 Bonds shall be prepared in substantially the form set forth in Exhibit B hereto and by this reference is made a part hereof.

Section 3. Security for the Series 2015 Bonds. The Series 2015 Bonds are issued under Section 4.02 of the Original Resolution and shall, with the Series 2013 Bonds and any other Additional Bonds issued under the provisions of Section 4 of the Original Resolution, be equally and ratably secured by the provisions of the Original Resolution and this Supplemental Resolution and payable out of the Net Revenues appropriated to the Debt Service Account of the Storm Sewer System Fund, without preference or priority, all as provided in the Resolution, as amended and supplemented, and secured by the Reserve Account. Upon the issuance of the Series 2015 Bonds, the City Finance Director shall deposit, from the Series 2015 Bonds as noted above in this Section 4 and, to the extent necessary, from other available funds in the Storm Sewer System Fund, the amount required to cause the balance in the Reserve Account to equal the maximum Principal and Interest Requirements on Outstanding Bonds for the current or any future Fiscal Year. The City shall keep, perform and observe each and every one of its covenants and undertakings set forth in the Original Resolution, as amended and supplemented, and shall cause the 2015 Project to be undertaken and completed expeditiously.

Section 4. Continuing Disclosure.

(a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Series 2015 Bonds and the security therefor and to permit the Original Purchasers and other participating underwriters in the primary offering of the Series 2015 Bonds to comply with paragraph (b)(5) of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Rule"), the City hereby makes the following covenants and agrees, for the benefit of the Owners (as hereinafter defined) from time to time of the Series 2015 Bonds, to provide annual reports of specified information and notice of the occurrence of certain events to the Municipal Securities Rulemaking Board ("MSRB") through its Electronic Municipal Market Access system website ("EMMA"), as hereinafter described (the "Disclosure Covenants"). The City is the only "obligated person" in respect of the Series 2015 Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made.

If the City fails to comply with the Disclosure Covenants, any Person aggrieved thereby, including the Owners of the Series 2015 Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of the Disclosure Covenants, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder. Notwithstanding anything to the contrary contained in the Disclosure Covenants, in no event shall a default under this Section 4 constitute a default under the Series 2015 Bonds or under any other provision of this Resolution.

As used in this Section 4, “Owner” means, in respect of a Series 2015 Bond, the registered owner or owners thereof appearing in the Bond Register or any Beneficial Owner (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used in this Section 4, “Beneficial Owner” means, in respect of a Series 2015 Bond, any Person that (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Series 2015 Bond (including Persons holding Series 2015 Bonds through nominees, depositories or other intermediaries), or (ii) is treated as the owner of the Series 2015 Bond for federal income tax purposes.

(b) Information To Be Disclosed. The City will provide, in the manner set forth in paragraph (c) hereof, either directly or indirectly through an agent designated by the City, the following information at the following times:

(i) on or before 365 days after the end of each fiscal year of the City, commencing with the fiscal year ending June 30, 2015, the following financial information and operating data in respect of the City (the “Disclosure Information”):

(A) the audited financial statements of the City for such fiscal year, accompanied by the audit report and opinion of the Accountant or government auditor relating thereto, as permitted or required by the laws of the State of Montana, containing a balance sheet as of the end of such fiscal year and a statement of operations, changes in fund balances and cash flows for the System for the fiscal year then ended, prepared in accordance with generally accepted accounting principles promulgated by the Financial Accounting Standards Board as modified in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise provided under Montana law, as in effect from time to time or, if and to the extent such financial statements have not been prepared in accordance with such generally accepted accounting principles for reasons beyond the reasonable control of the City, noting the discrepancies therefrom and the effect thereof, and certified as to accuracy and completeness in all material respects by the City Finance Director; and

(B) To the extent not included in the financial statements referred to in paragraph (b)(i)(A) hereof, the information for such fiscal year of the type set forth below, which information may be unaudited:

(1) a description of any additional borrowing or plans for future financing for the System;

(2) updated figures for collections of storm sewer assessments for the then current fiscal year in format similar to the table “Collections of Storm Sewer Assessments” in the Official Statement;

(3) updated information of any changes in the user rates in a format similar to the table "Storm Sewer Service Charges" in the Official Statement; and

(4) a list of the major System users for the then current fiscal year in format similar to the table "Largest Storm Sewer Charges" in the Official Statement.

Notwithstanding anything in this Section 4 to the contrary, if the audited financial statements are not available by the date specified, the City shall provide on or before such date unaudited financial statements in the format required for the audited financial statements as part of the Disclosure Information and, within 10 days after the receipt thereof, the City shall provide the audited financial statements.

Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, by reference from other documents, including official statements, which have been submitted to the MSRB in the manner set forth in paragraph (c) hereof. The City shall clearly identify in the Disclosure Information in each document so incorporated by reference.

If any part of the Disclosure Information can no longer be generated because the operations of the City have materially changed or been discontinued, such Disclosure Information need no longer be provided if the City includes in the Disclosure Information a statement to such effect; provided, however, if such operations have been replaced by other City operations in respect of which data is not included in the Disclosure Information and the City determines that certain specified data regarding such replacement operations would be material (as hereinafter defined), then, from and after such determination, the Disclosure Information shall include such additional specified data regarding the replacement operations.

If the Disclosure Information is changed or the Disclosure Covenants are amended as permitted by paragraph (d) hereof, then the City shall include in the next Disclosure Information to be delivered pursuant to this Section 4, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

(ii) In a timely manner not in excess of ten business days, the City will provide notice of the occurrence of any of the following events:

- (A) principal and interest payment delinquencies;
- (B) non-payment related defaults, if material;
- (C) unscheduled draws on debt service reserves reflecting financial difficulties;
- (D) unscheduled draws on credit enhancements reflecting financial difficulties;
- (E) substitution of credit or liquidity providers, or their failure to perform;

- (F) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Series 2015 Bonds or other material events affecting the tax status of the Series 2015 Bonds;
- (G) modifications to rights of holders of the Series 2015 Bonds, if material;
- (H) bond calls, if material, and tender offers;
- (I) defeasances;
- (J) release, substitution or sale of property securing repayment of the Series 2015 Bonds, if material;
- (K) rating changes;
- (L) bankruptcy, insolvency, receivership, or similar event of the obligated person;
- (M) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (N) appointment of a successor or additional trustee or the change of name of a trustee, if material.

An event is “material” if it is an event as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Series 2015 Bond or, if not disclosed, would materially alter the total mix of information otherwise available to an investor from the Official Statement or information generally available to the public. Notwithstanding the foregoing sentence, an event is also “material” if it is an event that would be deemed material for purposes of the purchase, holding or sale of a Series 2015 Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

(iii) In a timely manner, the City will provide notice of the occurrence of any of the following events or conditions:

- (A) the failure of the City to provide the Disclosure Information described under paragraph (b)(i) hereof at the time specified thereunder;
- (B) the amendment or supplementing of the Disclosure Covenants pursuant to paragraph (d) hereof, together with a copy of such amendment or supplement and any explanation provided by the City;
- (C) the termination of the obligations of the City under the Disclosure Covenants; and
- (D) any change in the fiscal year of the City.

(c) Manner of Disclosure. The City agrees to make available the information described in paragraph (b) hereof to the MSRB through EMMA or in a manner as may be otherwise proscribed by the MSRB consistent with the Rule. All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

(d) Term; Amendments; Interpretation.

(i) The Disclosure Covenants shall remain in effect so long as any Series 2015 Bonds are outstanding.

(ii) Notwithstanding paragraph (d)(i) hereof, the Disclosure Covenants (and the form and requirements of the Disclosure Information) may be amended or supplemented by the City from time to time, without notice to (except as provided in this subsection (d)(ii)) or the consent of the Owners of any Series 2015 Bonds, by a resolution of this Council filed in the office of the recording officer of the City accompanied by an opinion of Bond Counsel, who may rely on certificates of the City and others and the opinion may be subject to customary qualifications, to the effect that such amendment or supplement (A) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the City or the type of operations conducted by the City, or (B) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule.

If the Disclosure Information is so amended, the City agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

(iii) The Disclosure Covenants are entered into to comply with the continuing disclosure provisions of the Rule and should be construed so the undertaking would satisfy the requirements of paragraph (b)(5) of the Rule.

Section 5. Tax Covenants and Certifications.

5.01. Use of Facilities. The facilities of the System financed in whole or in part with proceeds of the Series 2015 Bonds (the "Financed Facilities") are and will be owned and operated by the City and used by the City to provide storm sewer system services to members of the general public. No user of the System is granted any concession, license or special arrangement with respect to the System. The City shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the Financed Facilities or the System or security for the payment of the Series 2015 Bonds which might cause the Series 2015 Bonds to be considered "private activity bonds" or "private loan bonds" within the meaning of Section 141 of Code.

5.02. General Covenant. The City covenants and agrees with the Owners from time to time of the Series 2015 Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Series 2015 Bonds to become includable in gross income for federal income tax purposes under the Code and applicable Regulations and covenants to take any and all actions within its powers to ensure that

the interest on the Series 2015 Bonds will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

5.03. Arbitrage Certification. The Mayor, the City Finance Director and the City Clerk being the officers of the City charged with the responsibility for issuing the Series 2015 Bonds pursuant to this Resolution, are authorized and directed to execute and deliver to the Original Purchaser a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Series 2015 Bonds, it is reasonably expected that the proceeds of the Series 2015 Bonds will not be used in a manner that would cause the Series 2015 Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code and the Regulations.

5.04. Arbitrage Rebate. The City acknowledges that the Series 2015 Bonds are subject to the rebate requirements of Section 148(f) of the Code. The City covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Treasury Regulations to preserve the exclusion of interest on the Series 2015 Bonds from gross income for federal income tax purposes, unless the Series 2015 Bonds qualify for the exception from the rebate requirement under Section 148(f)(4)(B) of the Code and no “gross proceeds” of the Series 2015 Bonds (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof. In furtherance of the foregoing, the Mayor, the City Finance Director and the City Clerk are hereby authorized and directed to execute a Rebate Certificate, substantially in the form to be prepared by Bond Counsel, and the City hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

5.05. Information Reporting. The City shall file with the Secretary of the Treasury, not later than August 15, 2015, a statement concerning the Series 2015 Bonds containing the information required by Section 149(e) of the Code.

Section 6. Certification of Proceedings.

The officers of the City are hereby authorized and directed to prepare and furnish to the Original Purchaser and to Dorsey & Whitney LLP, Bond Counsel, certified copies of all proceedings and records of the City, and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of the Series 2015 Bonds as the same appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

Section 7. Repeals and Effective Date.

7.01. Repeal. All provisions of other resolutions and other actions and proceedings of the City and this Council that are in any way inconsistent with the terms and provisions of this Resolution are repealed, amended and rescinded to the full extent necessary to give full force and effect to the provisions of this Resolution.

7.02. Effective Date. This Resolution shall take effect immediately upon its passage and adoption by this Council.

FOR VALUE RECEIVED, THE CITY OF BILLINGS, YELLOWSTONE COUNTY, STATE OF MONTANA (the "City"), acknowledges itself to be indebted and hereby promises to pay to the registered owner named above, or registered assigns, solely from the Debt Service Account of its Storm Sewer System Fund, the principal amount specified above on the maturity date specified above or, if this Bond is prepayable as stated herein, on any date prior thereto on which this Bond shall have been duly called for redemption, and to pay interest on said principal amount to the registered owner hereof from the Date of Original Issue set forth above or from such later date to which interest has been paid or duly provided for until this Bond is paid or, if this Bond is prepayable, until it has been duly called for redemption, at the rate specified above. Principal of this Bond is payable upon presentation and surrender hereof to U.S. Bank National Association, of Seattle, Washington, as registrar, transfer agent and paying agent, or its successor designated under the Resolution described herein (the "Registrar") at its operations center in St. Paul, Minnesota. The interest on this Bond shall be payable on January 1 and July 1 in each year, commencing January 1, 2016. Interest on the Series 2015 Bonds shall be payable to the owners of record thereof as such appear on the Bond Register as of the close of business on the 15th day of the month immediately preceding each interest payment date, whether or not such day is a Business Day. Interest on, and upon presentation and surrender thereof, the principal of each Bond shall be payable by check or draft issued by the Registrar described herein. The principal of and interest on this Bond are payable in lawful money of the United States of America. Interest shall be calculated on the basis of a 360-day year composed of twelve 30-day months.

Notwithstanding any other provisions of this Bond, so long as this Bond is registered in the name of Cede & Co., as nominee of The Depository Trust Company, or in the name of any other nominee of The Depository Trust Company or other securities depository, the Registrar shall pay

all principal of and interest on this Bond, and shall give all notices with respect to this Bond, only to Cede & Co. or other nominee in accordance with the operational arrangements of The Depository Trust Company or other securities depository as agreed to by the City.

This Bond is one of a duly authorized issue of Bonds of the City designated as "Storm Sewer System Revenue Bonds" (collectively, the "Bonds"), issued and to be issued in one or more series under, and all equally and ratably secured by Resolution No. 13-19323 of the City, adopted by the City Council on October 28, 2013 (the "Original Resolution"), as supplemented and amended by Resolution No. 15-[] of the City, adopted by the City Council on April 27, 2015 (as amended or supplemented in accordance with the provisions thereof, the "Resolution"), to which Resolution, copies of which are on file with the City, reference is hereby made for a description of the nature and extent of the security, the respective rights thereunder of the Owners of the Bonds and the City and the terms upon which the Bonds are to be issued and delivered. As provided in the Resolution, the Bonds are issuable in series which may vary as in the Resolution provided or permitted. This Bond is one of the series specified in its title, issued in the aggregate principal amount of \$9,615,000 (the "Series 2015 Bonds"), all of like date of original issue and tenor except as to serial number, denomination, date, interest rate, maturity date and redemption privilege. The Series 2015 Bonds are issued by the City for the purpose of financing the costs of certain improvements of the City's municipal storm sewer system (the "System," which term includes all improvements, betterments, extensions and alterations of the System as it exists at any time). Capitalized terms used herein but not otherwise defined shall have the respective meanings given such terms in the Resolution.

The Series 2015 Bonds are issued on a parity and are equally and ratably secured by the Net Revenues of the System with the City's Storm Sewer System Revenue Bonds, Series 2013 (the "Series 2013 Bonds"), outstanding in the aggregate principal amount of \$4,170,000.

The Series 2015 Bonds are issued pursuant to and in full compliance with the Constitution and laws of the State of Montana, particularly Montana Code Annotated, Title 7, Chapter 7, Part 44, and Sections 7-13-4304 through 7-13-4314, as amended or supplemented (the "Act"), and pursuant to the Resolution. The Series 2015 Bonds are payable solely and ratably from Net Revenues pledged to the payment thereof.

The Bonds are not general obligations of the City and the City's general credit and taxing powers are not pledged to the payment of the Bonds or the interest thereon. The Bonds shall not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitations.

The Series 2015 Bonds with Stated Maturities in the years 2016 through 2025 are not subject to redemption prior to their Stated Maturities. The Series 2015 Bonds with Stated Maturities on or after July 1, 2026 are subject to redemption on July 1, 2025 and any date thereafter, at the option of the City, in whole or in part, and if in part from such Stated Maturities and in such principal amounts as the City may designate in writing to the Registrar (or, if no designation is made, in inverse order of maturities and within a maturity in \$5,000 principal amounts selected by the Registrar by lot or other manner it deems fair), at a Redemption Price equal to the principal amount thereof and interest accrued to the Redemption Date, without premium.

The Series 2015 Bonds having Stated Maturities in 2033 and 2035 are subject to mandatory sinking fund redemption on July 1 in the respective years and the respective principal amounts set forth below in \$5,000 principal amounts selected by the Registrar, by lot or other manner it deems fair, at a Redemption Price equal to the principal amount thereof to be redeemed plus interest accrued to the Redemption Date:

2033 Term Bond		2035 Term Bond	
July 1	Sinking Fund Payment Amount	July 1	Sinking Fund Payment Amount
2032	\$595,000	2034	\$635,000
2033*	615,000	2035*	660,000

*Stated Maturity.

If the Term Bonds having Stated Maturities in 2033 and 2035 are not previously purchased by the City in the open market or prepaid, \$615,000 and \$660,000, respectively, in principal amount of such Term Bonds would remain to mature in 2033 and 2035, respectively. The principal amount of such Term Bonds required to be redeemed on the above Sinking Fund Payment Dates shall be reduced by the principal amount of such Term Bonds theretofore redeemed at the option of the City and as to which the City has not previously applied amounts to reduce the principal amount of such Term Bonds on a Sinking Fund Payment Date.

As provided in the Resolution and subject to certain limitations set forth therein, this Series 2015 Bond is transferable upon the books of the City at the principal office of the Registrar, by the registered owner hereof in person or by his attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his attorney; and may also be surrendered in exchange for Series 2015 Bonds of other authorized denominations. Upon any such transfer or exchange, the City will cause a new Series 2015 Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

The City and the Registrar may deem and treat the Person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

IT IS HEREBY CERTIFIED, RECITED, COVENANTED AND AGREED that the City will prescribe and collect reasonable rates and charges for all services and facilities afforded by the System, and has created a special Storm Sewer System Fund into which the Revenues of the System will be paid and a separate and special Debt Service Account in the Storm Sewer System Fund into which will be paid semiannually, from and as a first and prior lien on the Net Revenues of the System, an amount not less than one-sixth of the interest due on all Outstanding Bonds within the next six months and one-twelfth of the principal of all Outstanding Bonds due within the next twelve months; that the City has credited to the Reserve Account of the Storm Sewer System Fund from the proceeds of the Series 2015 Bonds an amount sufficient to cause the balance therein to equal the Reserve Requirement, and the City has agreed thereafter to credit semiannually

to the Reserve Account, from the Net Revenues, such additional amounts as may be necessary to maintain a balance therein at least equal to the Reserve Requirement; that the Debt Service Account and the Reserve Account will be used only to pay the principal of, premium, if any, and interest on the Bonds (subject to the requirements of the Rebate Account); that the rates and charges for the System will from time to time be made and kept sufficient to provide Net Revenues for each fiscal year commencing after June 30, 2015, at least equal to 125% of the maximum of the principal of and interest on the Series 2013 Bonds, the Series 2015 Bonds and any Additional Bonds to become due in all full future fiscal years, to establish and maintain the Reserve Requirement, to pay promptly the reasonable and current expenses of operating and maintaining the System, to pay principal of and interest on any Subordinate Obligations and to provide reserves for the repair and replacement of the System; that Additional Bonds may be issued and made payable from the Storm Sewer System Fund on a parity with the Series 2013 Bonds and the Series 2015 Bonds upon certain conditions set forth in the Resolution, but no obligation will be otherwise incurred and made payable from the Net Revenues, whether or not such obligation shall also constitute a general obligation and indebtedness of the City, unless the lien thereof shall be expressly made subordinate to the lien of the Series 2013 Bonds and the Series 2015 Bonds on such Net Revenues; that all provisions for the security of the holder of this Bond set forth in the Resolution will be punctually and faithfully performed as therein stipulated; that all acts, conditions and things required by the Constitution and laws of the State of Montana and the ordinances and resolutions of the City to be done, to exist, to happen and to be performed in order to make this Bond a valid and binding special, limited obligation of the City according to its terms have been done, do exist, have happened and have been performed as so required; and that this Bond and the interest and premium, if any, hereon are payable solely from the Net Revenues of the System pledged and appropriated to the Debt Service Account and do not constitute a debt of the City within the meaning of any constitutional or statutory limitation or provision and the issuance of the Series 2015 Bonds does not cause either the general or the special indebtedness of the City to exceed any constitutional or statutory limitation.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Resolution until the Certificate of Authentication hereon shall have been executed by the Registrar by the manual signature of one of its authorized representatives.

IN WITNESS WHEREOF, the City of Billings, Montana, by its City Council, has caused this Bond to be executed by the facsimile signatures of the Mayor, the City Finance Director and the City Clerk, and by a printed facsimile of the official seal of the City.
