## Red Lodge Area Community Foundation

**"The Red Lodge/Carbon County community has benefitted greatly from AmeriCorps.**

All of these talented individuals have built community assets in a responsible way that will continue to operate post project through increased capacity of staffing at the Foundation. All of the VISTA projects contribute to economic development and improve the lives of the entire community! I cannot think of a better way to spend my time but alongside these exuberant people experimenting to identify and develop the best ways to imprklnojioove the lives of others."
