One VISTA members
serving from 2015 to 2016
focused on the following
initiatives:

- Community Assessment
- Fund Development
- Volunteer Recruitment & Training
- Connecting Clients to Services
- Resource Drives

QUICK FACTS:

- \$34,649 generated
- 27 volunteers recruited & trained
- 3 new or expanded services developed
- 125 volunteer hours

The new individuals that are either directly or indirectly affected by mental illness are supported by NAMI Billings

through this enhanced community presence, and are in turn given access to additional community resources to assist them out of poverty and then connected to other organizations who can support them similarly. 50 clients/individuals were served through increased awareness and advocacy of this project through new events, expanded mailings, online campaigns, and media presence.
