NeighborWorks Montana—The Home Center

A VISTA member served for one full year of service from 2015—2016 focusing on the following initiatives:

- Renters Program Development
- Fund Development
- Community Assessment
- Volunteer Recruitment
- In-Progress

QUICK FACTS:

- \$4,000 generated
- 60 new beneficiaries served
- 14 recruited volunteers

This VISTA who is currently still in their term has been working on a major new Renters' class that she hopes to develop further to make affordable housing more accessible. Clients served through The Home Center will be able to increase financial literacy and capacity to access and maintain safe, affordable housing.
