

Rimrock Neighborhoods Task Force

September 27, 2018

Dear Mayor and members of the Billings City Council,

The Rimrock Neighborhoods Task Force, RNTF, an organized group of neighbors concerned about transportation, aesthetics/environment, safety, recreation, zoning and land use planning issues impacting our Rimrock neighborhoods, supports trail development in the Billings community. We wish to see more trails to connect neighborhoods to other neighborhoods, schools and parks city wide connecting the Billings' Marathon Loop and particularly in our task force area as recommended in the 2014 Highway 3 Corridor Study and the 2016 Rimrocks to Valley Bike/Ped Feasibility Study.

We support safe physical activity for all of us, including our children, grandchildren and elderly to run, walk, bike and recreate, year-round in Billings. We respectfully ask for your support of Billings TrailNet's efforts to increase trail funding.

Sincerely,

Lyle Gabrian
Chair, Rimrock Neighborhoods Task Force
