

## Rimrock Neighborhoods Task Force

December 10, 2018

Dear Mayor and members of the Billings City Council,

The Rimrock Neighborhoods Task Force, RNTF, recommends approval of the amendments to the City of Billings Nuisance Code as detailed and recommended in the City staff recommendation to Council scheduled for Public Hearing and First Reading of Ordinance on 12/10/18 business meeting.

The RNTF agrees with the City of Billings 2016 Growth Policy guidelines regarding strong neighborhoods and the proposed amendments appear to be consistent with the growth policy:

- *Neighborhoods that are safe and attractive and provide essential services are much desired.*
- *Public safety and emergency service response are critical to the well-being of Billings' residents*
- *Common to all types of housing choices is the desire to live in surroundings that are affordable, healthy, and safe*
- *Homes that are safe and sound support healthy community*

Thank you for your attention in addressing this important neighborhood concern.

Sincerely,

Lyle Gabrian  
Chair, Rimrock Neighborhoods Task Force
