#	Date	Reference Section	Question or Comment	City Response
1	04/20/21	Section 5 Scope of Work (pg. 8) & Attachment C	Would it be acceptable for us to include the price per after-hour patrol inspection on Attachment C under the "Other (please describe)" pricing? Or is it preferred that those costs of services are built into the Security Officer hourly rates?	Yes, "Other pricing" would be appropriate.
2	04/20/21	Proposal Modifications (page 4)	The section states, "Modifications, additions or changes to the terms and conditions of this request for proposal may be cause for rejection of the proposal." Are Exceptions or is Reserving our Right to negotiate T&C's in the Sample Contract acceptable? We will list the specific items for review and consideration.	Listing the specific items you wish to negotiate or take exception to will not be cause for proposal rejection.
3	04/20/21	General Question	Would the City wish to retain the services of any incumbent security officers? If so, would you wish that we base our proposals on any specific wage rate in order for those officers to "remain whole"?	<p>All security officers are employees of the current or future security company and will not be employed by the City.</p> <p>Wages for this contract are governed by Montana Prevailing Wage rates and you should base your proposal on those, accordingly. More information regarding MT wage rates may be found here or by contacting the State Dept of Labor & Industry:</p> <p>http://erd.dli.mt.gov/labor-standards/state-prevailing-wage-rates</p>
