

EMPLOYEE AND CITIZEN AWARD NOMINATION FORM

The Billings Fire Department would like to recognize all personnel (Fire and 9-1-1) and citizens for acts above and beyond the call of duty.

The Department expects a very high level of professional conduct from all employees; however, members of the department frequently perform their duties exceeding the highest standards of the department. It also often goes unnoticed when citizens demonstrate extraordinary deeds in their community. There is no greater form of recognition an employee or citizen can receive than a compliment from someone whose life has been touched and made better.
