Member Input			
10 Minutes	Neil Beyer		
Discussion	Members were given the opportunity to present points of concern, needs, challenges within the community. An increase in crime and withdrawal of community involvement. The need for community cooperation and communication – the embracing of community. The lack of a voice for Midtown Area. The need for a citywide Public Information Officer and the role the MCC can play in being a community voice by sharing news and local information. Provide a forum to help community members understand and be actively involved in government. The development of a Business Improvement District (BID) for the Midtown area.		
Conclusions	Agreed that the MCC could be used as a voice for the Midtown Area. The MCC will attempt to communicate important news and information to the community via meetings, social media, and email. Will explore the possibility of developing a BID.		
Action Items		Person Responsible	Deadline
Reach out to businesses within MCC boundaries to explore the possibility of establishing a BID		Neil Beyer	Oct 4   12pm
n/a		n/a	Date   time
Community			
10 Minutes	Neil Beyer		
Discussion	The initiation, management and oversight of community activities and events. The first event proposed is a Halloween event at the West Park Promenade. Engage businesses to participate in decorating their storefront and participating in the handing out of candy to trick-or-treaters from 4-6pm. Possibility of hosting/overseeing games/entertainment/catering either west of Midway Grill and Brews or in the parking lot area dividing Town & Country and Red Robin.		

# minutes

Conclusions	Businesses will be approached to announce the planned event and request their participation. Logistics will be reviewed to determine if a games/entertainment/catering event will be possible.
