## *Chinook Horses*

**Billings Metro VISTA Project  
members have played an  
essential role in the growth  
of Chinook Horses!**

"Chinook Horses wouldn't look like it does today without the funding our VISTAs have gotten us or without the outreach they've done within the community. BMVP is really an untapped resource for the non-profit community in Yellowstone County. I think it's such a gift to have these young, energetic people who are willing to work alongside you and discover and learn with you, it's truly remarkable."
