

Commitment Checklist for “Specific Local Projects”

Purpose: This checklist is a tool to determine whether or not the HOME requirements for committing funds to a specific local project have been met, in accordance with the definition of commitment at 24 CFR 92.2 and the subsidy layering and underwriting requirements at 24 CFR 92.250(b).

Applicability: This checklist applies to HOME commitments made to rental and homebuyer housing development projects, including acquisition of standard housing.

While funds are committed when the PJ has executed a legally binding written agreement with a State recipient or subrecipient to undertake a program, the commitments that State recipients and subrecipients make to specific local projects must comply with the requirements in this checklist.

How to Use: PJs and Field Office staff can use this checklist to help ensure that commitments of HOME funds meet HUD’s minimum requirements. HOME written agreements for specific local projects must reflect all of the requirements contained in §92.504(c).
