Title: Proposed Code Enforcement Ordinance Amendments - First Reading and Public Hearing
Presented by: Tina Hoeger
Department: Planning & Community Services
Presentation: Yes
Legal Review: Yes
Project Number: N/A

RECOMMENDATION

Code Enforcement and City Legal staff recommend City Council conduct a public hearing and approve the proposed amendments to the City Nuisance, Graffiti, and Boarded Up Structures Ordinances on First Reading.

BACKGROUND (Consistency with Adopted Plans and Policies, if applicable)

The Code Enforcement Division previously brought proposed amendments to the Nuisance, Graffiti, and Boarded Up Structures ordinances to Council in a Work Session on February 20. Council made some minor suggestions to the proposed amendments and then decided to move them to a First Reading and Public Hearing. The suggested changes by Council were made to the ordinances and reviewed by City Legal. The attached Nuisance Ordinance shows strikeout and new language.

STAKEHOLDERS

The residents of Billings will ultimately benefit from the City making these ordinance amendments as the changes will increase efficiency of enforcement, better clarify the codes so people understand their rights and obligations under the City Code, and make it easier to apply the codes by the City Code Enforcement Division.

ALTERNATIVES

City Council may:

- Approve the proposed amendments to the Nuisance, Graffiti, and Boarded Up Structures ordinances; or,
- Approve with modifications the proposed amendments to the Nuisance, Graffiti, and Boarded Up Structures ordinances; or,
- Not Approve the proposed amendments to the Nuisance, Graffiti, and Boarded Up Structures ordinances

FISCAL EFFECTS

Should the Council decide to approve the ordinance changes, there could be some advantages of efficiency and process that might be fiscally beneficial. However, it would be difficult to measure them given the overall complexity of some of these enforcement processes. The establishment of the anti-graffiti fund reward opportunity would require an initial budget amount; however, Municipal Court fines would be deposited in this fund to help supplement the budget to support rewards for information leading to convictions.

Editor's note(s)—Ord. No. 19-5721, § 4, adopted Jan. 14, 2019, amended the title of § 18-304 to read as herein set out. The former § 18-304 title pertained to enforcement.

Sec. 18-305. Abatement and collection of costs.

~~The remedies specified in this section shall be in addition to all other remedies provided by law. When a public nuisance has not been abated by the responsible party within the time specified in the notice of violation and after a first municipal infraction citation has been issued, the following procedure applies:~~

- ~~(1) The city may bring a civil action in the municipal court to have the nuisance declared as such by the court and for an order enjoining the public nuisance or authorizing its restraint, removal, termination or abatement.~~
- ~~(2) The action to declare and abate a public nuisance shall be brought by the city in the name of the people of the city, by the filing of a complaint, which shall be verified or supported by an affidavit. Summons shall be issued and served as provided by state law for civil cases. If the owner or responsible person cannot~~

~~be personally served after good faith efforts, service may be made by publication as provided in state law for matters concerning real property.~~

- ~~(3) The respondent shall file a response as provided by state law for civil cases and as set forth in sections 18-1302 and 18-1303. Within thirty (30) days of the response being filed, the court shall set the matter for scheduling conference and/or trial. Failure to appear on any other date set for trial shall be grounds for entering a default and judgment thereon against a non-appearing party.~~
- ~~(4) If the respondent has filed no response as required in section 18-305(3) and the city proves that proper service was made on the respondent, the court may enter judgment against the respondent as provided by state law for civil cases and as set forth in section 18-1303. For good cause shown, and prior to enforcement, the court may set aside an entry of default and the judgment entered thereon.~~
- ~~(5) The judgment of the municipal court may be appealed to the district court.~~
- ~~(6) The procedure for determining the cost of abatement of a public nuisance will be as follows:~~
 - ~~a. The enforcement officer will secure a good faith estimate of the costs to abate the public nuisance prior to or coincidentally with the civil action filed in municipal court.  - ~~b. The enforcement officer will forward the good faith estimate of the costs to abate the public nuisance to the municipal court and the city's legal staff.~~
 - ~~c. The municipal court may assess as a judgment the good faith estimate of the costs of abatement.~~
 - ~~d. The municipal court may allow the property owner a period of time, not to exceed forty five (45) days, to abate the public nuisance prior to assessing the good faith estimate in a judgement.~~
 - ~~e. At the expiration of the period of time allowed by the municipal court, the city may proceed to enter the property and abate the nuisance as ordered and in accordance with the good faith estimate.~~
 - ~~f. The enforcement officer will coordinate the abatement project and oversee the work as it is being performed.~~
 - ~~g. After the planning director and the enforcement officer have approved the final bill it will be forwarded to the city finance department for payment by the property owner.~~
 - ~~h. A copy of approved bill(s) and proof of disbursement is placed in the enforcement agency file maintained by enforcement officer. These~~

documents, along with the itemized abatement expense report are used to determine the total cost of abatement for the property. The abatement expense report is then certified and transmitted to the finance department for approval of assessment on the real property being abated.

- i. The property owner will then be sent an abatement expense report for the subject property and be given notice that any assessment that is not paid shall become a lien upon the property and is enforceable in the same manner as the nonpayment of property taxes. The interest fee will be waived for any payments made within thirty (30) days of notice.
- j. A summary listing of the assessments, tax codes, and property owners will be kept by the clerk and recorder through August 31 of each year, and the list shall be presented to the department of revenue for billing on the next real property tax statement.
- k. A special abatement fund will be established to account for costs, collections, and transactions necessary to the efficient operation of the program. Assessment funds collected are returned to the designated abatement account for future use on other involuntary property abatements or for transfer back to the city general fund.
- l. Any judgment assessed by the municipal court may not exceed the statutory amount as set in MCA 3-11-103, as amended. The portion of a good faith estimate that exceeds this statutory amount may not be assessed as a judgment by the municipal court.

(Ord. No. 04-5280, § 8, 5-10-04, Ord. No. 13-5604, § 1, 5-28-13; Ord. No. 19-5721, § 6, 1-14-19)

The interest fee will be waived for any payments made within thirty (30) days of notice.
 6. A summary listing of the assessments, tax codes, and property owners will be kept by the clerk and recorder through August 31 of each year, and the list shall be presented to the department of revenue for billing on the next real property tax statement.

ORDINANCE 24-_____

AN ORDINANCE OF THE CITY OF BILLINGS,
PROVIDING THAT THE BILLINGS, MONTANA CITY
CODE (BMCC) BE AMENDED BY REVISING ARTICLE
18-1100, OF SAID CODE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BILLINGS THAT:

Section 1. That Article 18-1100, of the Billings, Montana City Code (BMCC) is amended so that such section shall read as follows:

Article 18-1100. – GRAFFITI

Sec. 18-1101. Purpose and intent.

Graffiti presents a threat to the health, safety and welfare of the community and reduces the value of adjoining properties. Graffiti is deemed a public nuisance in accordance with Sec. 18-301. Standards for graffiti abatement established in this section will help improve the appearance of these structures and preserve neighborhood property values.

The city council is enacting this article to help prevent the spread of graffiti vandalism and to establish a program for the removal of graffiti from public and private property. The council is authorized to enact this article pursuant to its police powers, as specified in Section 1.01 of the City Charter and MCA §§ 7-1-101, 7-5-4101, and 7-5-4104 that authorize the city to have all power possible for a self-government city as fully and as completely as though they were fully enumerated in the Charter, to exercise any power not prohibited by the Constitution or laws of the state, to make and pass all laws not repugnant to the Constitution or laws of the state necessary for the government or management of the affairs of a city or town, and to define and abate nuisances and impose fines on persons guilty of creating, continuing or suffering nuisances to exist on premises they occupy or control.

The council finds that graffiti is a public nuisance and destructive of the rights and values of property owners as well as the entire community. Unless the city acts to remove graffiti from public and private property, the graffiti tends to remain. Other properties then become the target of graffiti, and entire neighborhoods are affected and become less desirable places in which to be, all to the detriment of the city.

The city council intends, through the adoption of this article, to provide additional enforcement tools to protect public and private property from acts of graffiti vandalism and defacement. The council does not intend for this article to conflict with any existing anti-graffiti state laws.
