Two full year VISTA members served in 2016 and 2020 focusing on the following initiatives:

- Education: K-12 Success

QUICK FACTS:

- Nearly \$2,000 generated in cash resources
- 20 volunteers recruited who served 21 disadvantaged children
- Four new or expanded services developed

CASA of Yellowstone County

Since 2016, Billings Metro VISTA Project members have participated in projects with CASA of Yellowstone County to address the overrepresentation of Native American children in the foster care system. These projects included raising community awareness, strengthening relationships with partner organizations, developing cultural education programs, and improving financial resources.
