- 632 volunteers recruited
- Six new or expanded services developed

City of Billings - Parks and Recreation

Billings Metro VISTA Members unlock the potential of parks to overcome food deserts, provide health education, and bolster social wellness!

Since 2012, BMVP members at Billings Parks and Recreation have sought to increase access to amenities and community interactions which support healthy lifestyles, as well as a sustainable path out of poverty. These projects involved conducting community assessments, recruiting volunteers, establishing organizational partnerships, implementing outreach initiatives, and improving financial resources.
