

RESOLUTION 25-11290

**A RESOLUTION APPROVING AND ADOPTING THE
BUDGET FOR THE CITY OF BILLINGS, MONTANA FOR FISCAL YEAR 2026**

WHEREAS, the City Administrator of the City of Billings has regularly and lawfully submitted to the City Council of the City of Billings, Montana, the budget for Fiscal Year 2026; and

WHEREAS, the proper notice was published stating that said City Council has completed the MUNICIPAL BUDGET for said Fiscal Year, and that said budget has been placed on file and is open to inspection in the office of the City Clerk; and that said City Council would meet for the purpose of annually determining, approving and adopting the budget, and any taxpayer might appear and be heard.

WHEREAS, on June 23, 2025 the Billings City Council approved a resolution 25-11279 approving the preliminary budgeted spending authority for FY2026.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BILLINGS, MONTANA:

Section 1: That the City of Billings proposed budget for fiscal year 2026 as detailed in the budget report and as amended by the City Council and further detailed on EXHIBIT "A", be, and the same is hereby determined, approved, and adopted, establishing the legal spending limits at the fund level (MCA 7-6-4030).

Section 2: Pursuant to Sections 7-6-4006 and 7-6-4012, M.C.A., the City Administrator is authorized to amend this budget for the expenditure of additional funds from the following: Debt Service Funds; Fee-based budgets; Trust funds; Federal or State Grants; special assessments; and donations accepted and approved by the City Council.

Section 3: The City Administrator is hereby delegated the authority to make transfers or revisions within appropriations of any fund, subject to the following conditions:

- a. Reporting on these transfers or revisions will occur at least quarterly to the City Council Budget and Finance Committee.
- b. The City Administrator shall make reasonable efforts to review transfers or revisions with the Budget and Finance Committee prior to the transfer occurring;
- c. The City Administrator shall provide a monthly line-item budget report to the Budget and Finance Committee

Section 4: The City Council further authorizes and re-appropriates the unexpended balance of Capital Improvement Program items previously budgeted which have not been completed.

Section 5: Pursuant to Section 7-6-4030(c) the fiscal year 2026 budget is based upon the assumption 244.39 mills will be levied for property tax revenue. This is an increase of 37.02 mills from the prior fiscal year, due to the passage of HB231 and SB542, which direct City Council to levy additional mills to equal FY25 revenue levels. Due to the State legislative changes, there could still be an annual decrease in property taxes levied on homes valued at \$100,000, \$300,000, or \$600,000 of \$94.21, \$282.64, and \$399.09 respectively, when compared to the prior year.

Section 6: In preparation for the fiscal year 2027 budget, the Budget and Finance Committee shall, not later than January 31, 2026:

- a. Conduct a zero-based budgeting exercise for the General Fund and Public Safety Fund and report to City Council on the outcomes of the analysis; and
- b. Based on the reports provided in Section 3 and the zero-based budget activity, make recommendations to Council on the desired structure of the proposed budget presentation for fiscal year 2027.
- c. For the purpose of this section, "zero-based budgeting" shall be defined as an analytical process of setting the City's budget at zero dollars and evaluating proposed expenditures without respect to prior funding levels.

PASSED AND APPROVED by the City Council this 25th day of August, 2025.
