

Yellowstone Historic Preservation Board

2025-26 Best Practices Achievement Award Nomination

Award	The Yellowstone Historic Preservation Board established the <i>Best Practices Achievement Award</i> to honor outstanding demonstrations of adaptive reuse, restoration and preservation of historic properties which contribute to sustainable economic development and the revitalization of historic neighborhoods in Yellowstone County.
Eligibility	<p>Professional organizations as well as individual architects, engineers, general contractors and developers with projects completed in the last five years and located in Yellowstone County are welcome to submit entries. Projects must qualify for one or more of the following criteria:</p> <ol style="list-style-type: none">1. <u>Adaptive Reuse</u>: A rehabilitation project that preserves significant architectural elements of an historic building, including historic changes, while making possible efficient contemporary use.2. <u>Restoration</u>: A project which accurately returns an historic building to an earlier condition and appearance based on historical or physical evidence.3. <u>Preservation</u>: A project which preserves an historic building or landscape through stabilization of the property by arresting decay or averting demolition while acknowledging the effects of time on its integrity.
Submission Requirements	<p>Please submit a completed application form, including project description and any supporting documentation, no later than February 27, 2026 to:</p> <p style="text-align: center;">Dave Green Yellowstone Historic Preservation Board 316 N 26th Street Billings, MT 59101 or; greend@billingsmt.gov</p>
Winner Notification	The winner of the Yellowstone Historic Preservation Board's <i>Best Practices Achievement Award</i> will be notified by March 10, 2026. A public presentation of the award will be made during the Historic Preservation Roundtable on Tuesday, March 17, 2026 .
Additional Information	If you have questions or require additional information, please contact Dave Green, Historic Preservation Officer, at (406) 247-8666.
