

RESOLUTION NO. 11-19062

A RESOLUTION ADOPTING AN UPDATED MASTER PLAN FOR
THE DEVELOPMENT OF DISC GOLF AT HIGH SIERRA PARK
LOCATED AT THE WEST END OF WICKS LANE

WHEREAS, the public interest requires the creation and adoption of an updated Master Plan for High Sierra Park, to control and limit development in accordance with the needs of the community, the limitations and constraints of the park site, and with improvements suited to and appropriate for this public park.

WHEREAS, it is in the public interest and necessary that the current and future development of the park shall conform to the adopted master plan; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY
OF BILLINGS:

1. *Master Plan.* The master plan update for High Sierra Park presented for adoption to include the addition of disc golf as an amenity shall become a part of the official Master Plan for the park.
2. *General Character of Improvements Provided for by the Plan.* The general character of the improvements are intended to maintain the original character of the existing park master plan and to include disc golf as an additional amenity thereby providing a course properly sited and compatible with other approved activities of the park for the use and enjoyment of the general public. The purpose of the plan is to guide development and maintenance of the park and its facilities.
3. *Changes.* Proposed improvements not part of the adopted plan shall not be installed unless a new master plan is adopted through the normal park planning process that finds that the proposed improvement is appropriate as described above and can be incorporated as part of an "amended" park master plan to be presented for adoption at that time.

PASSED, ADOPTED AND APPROVED by the City Council of the City of Billings, Montana, this 13th day of June, 2011.
